Catholic Churches have statues of great saints holy people who have left their mark on the Church by the way they have lived lives of heroic faith and sanctity and thus have inspired others to do the same One of these great saints is St Anthony of Padua He is often depicted holding the child Jesus in his arms or with Jesus at his side due to the fact that Jesus often appeared as a child to St Anthony He was not born Anthony and was not born in Padua Italy but his life and journey eventually brought him to those two realities He was born into a wealthy family and began to pursue a religious life from a very young age entering a monastery at the tender age of 15 The time in which he lived was fraught with political uncertainty and religious tensions between Catholics Muslims and the Jewish people in medieval Spain The Catholics were in the process of reclaiming the Iberian peninsula and began a campaign of sending missionaries to North Africa and crusaders to the Holy Land In the midst of all this St Anthony knew clearly that he wanted to be an Augustinian monk but he would study switch religious orders and become acquainted with the great St Francis of Assisi after becoming a Franciscan He was perhaps best known for his incredible skill in preaching a skill that he came to discover almost by pure accident His life was one of teaching preaching and simple humble faith After his death he quickly earned the name Saint and centuries later became one of the Doctors of the Church a great honor reserved for particularly holy and influential souls Though Saint Anthony lived a relatively short life his intense faith and theological knowledge enabled him to become an accomplished preacher and teacher earning him the devotion of millions of Catholics throughout history History in 30 The Life of St Anthony of Padua quickly but comprehensively examines the remarkable impact St Anthony had on Christianity

The life of St. Anthony by Athanasius, Archbp. of Alexandria. The Paradise of Palladius. The rule of Pachomius at Tabenna, or the "Asketikonn". The History of the Monks, by Hieronymus. Vol. 2. The sayings of the Fathers, [by Palladius** Sir Ernest Alfred Wallis Budge,1907     Saint Anthony Thomas F. Ward,Brother Hermenegild,2013-03-31 IF ever man if ever saint received the Holy Spirit abundantly it was unquestionably the saint whose life we now present for the edification of the faithful It was by the Holy Spirit and His sevenfold gifts that St Anthony accomplished those great wonders which we admire in his life Supernatural light and piety and strength were the means which God furnished him and by which he so marvellously fulfilled his mission When the Saviour wished to save men He commenced His ministry by instructing them He preached in Judea and in Galilee in fact He declared that His mission was precisely to preach to men When He was about to ascend to heaven He charged His apostles to continue the work He had begun and insisted that they also should preach His word to men Yet let us not suppose that preaching consists merely in the discourses which the apostle delivered No said a great preacher the apostle is not only a man who knows and who teaches by means of the word delivered the apostle is a man who preaches Christianity with his whole being and whose very presence is the appearance of another Christ And such was St Anthony of Padua to whom devotion is so widespread to day This amiable saint was at once both monk and apostle To the preaching of the Gospel he added the strict observance of the severest counsels and the constant practice of fasting of penance and of prayer It was by these means that he captivated countless followers the just were strengthened the slothful fired with zeal sinners were converted and heretics recognized their errors At the comparatively early age of thirty six years his earthly mission ended After his death even as during his life wonders were wrought through his intercession And now after seven centuries have passed away the great wonderworker still spreads out his blessings on those who invoke him with

such profusion as is well calculated to encourage his devout servants to continue the offering of their homage It is for this end that we devote these few pages which will proclaim the virtues of this great friend of God and the power he possesses in heaven To render to the saints the honor which is love them we should invoke and imitate them We should strive to follow the good examples which they have given us while on earth and to do this we should read and know their lives Let us read especially the life of St Anthony of Padua and we shall be astonished at such exalted sanctity We cannot fail to admire the power granted by God to this wonderworker Devotion to St Anthony of Padua crossed the ocean with our fathers and with the Virgin Mother and St Joseph he is invoked in almost every Oatholic household with a fervor and a piety which we must admit have received their fullest recompense Who can deny the power of St Anthony especially in certain circumstances When we read this little book we shall learn after the example the saint has given us that there is everything to gain by serving God faithfully and lovingly while there is everything to lose by abandoning Him We shall learn also the great advantages which follow the invocation of the saints and how much our sorrows shall be soothed if we only know how to form friendships in heaven     The Life of St. Antony Saint Athanasius (Patriarch of Alexandria),1697     *The Life of St. Anthony the Great* Saint Athanasius (Patriarch of Alexandria),1987
