The Limits to Power Yaacov Ro'i, 2022-12-28 The Limits to Power 1979 analyses the spectrum of Soviet interests and policies in the Middle East following the Yom Kippur War of October 1973 how the Soviets handled the oil question military and economic aid policy toward Egypt Syria Iraq the Palestinian organisations and toward Israel itself The Soviet position in the Middle East in 1970 was as the dominant foreign power in the region and this book examines the events and actions that resulted under a decade later in such a sharp reversal in Soviet fortunes The ebb and flow of Soviet diplomacy as it emerges from the wealth of official statements and press material is examined in detail **Soviet Policies in the Middle East** Galia Golan, 1990-11-22 A comprehensive study of Soviet policies in the Middle East **Soviet Policy towards Syria since 1970** Efraim Karsh, 1991-06-18 An examination of the nature of Soviet policy towards Syria during the last two decades which seeks to assess Moscow's objectives and the means of achieving those objectives The study argues that the overriding concern of Soviet policy is preservation of regional stability *Superpower Involvement In The Middle East* Paul Marantz, Blema Steinberg, John Sigler, Shmuel Sandler, 2019-06-18 The contributors to this book offer an explanation of Soviet and U S policy in the Middle East by exploring how the superpowers define their goals in the region the factors that both stimulate and constrain the United States and the Soviet Union in the implementation of their objectives and how their mutual perceptions influence behavior The ch **Soviet Strategy in the Middle East** George W. Breslauer, 2015-07-16 Few regions of the world are as politically turbulent as the Middle East and nowhere is the potential for superpower conflict greater How does the Soviet Union view the Middle east conflict Can the USSR play a constructive role in the peace process In this volume first published in 1990 these questions and others central to an understanding of Soviet strategy in the region are addressed Previous analysts of Soviet Middle Eastern relations have tended to emphasize either the cooperative or the competitive aspects of Soviet behaviour Breslauer instead offers the multidimensional concept of collaborative competition to describe the mixed motives ambivalence and sometimes conflicting perspectives that have informed Soviet strategy in the region In such an unstable environment this strategy of collaborative competition has in turn encouraged approach avoidance behaviour for example while the Soviets may seek to moderate their radical allies they remain fearful that these allies once moderated might defect to US patronage Under Gorbachev the Kremlin continues to pursue this same strategy but with increased attention to improving collaboration redefining the nature of the competition and easing the approach avoidance dilemma Breslauer argues that these changes could lead to more flexible Soviet behaviour in the region This volume combines new in depth research on Soviet policy with new interpretations including insights drawn from relevant theories of international relations **The Middle East Since Camp David** Robert O Freedman, 2019-07-09 Since the Camp David agreements of September 1978 the Middle East has experienced a series of major military and political developments that have affected not just the nations of the region and the two superpowers but the rest of the world as well The fall of the

Galeeva,2022-12-29 In recent decades Russia has played an increasingly active role in the Middle East as states within the region continue to diversify their relations with major external powers Yet the role of specific Russian regions especially those that share an Islamic identity with the GCC has been overlooked In this book Diana Galeeva examines the relations between the Gulf States and Russia from the Soviet era to the present day Using the Republic of Tatarstan one of Russia s Muslim polities as a case study Galeeva demonstrates the emergence of relations between modern Tatarstan and the GCC States evolving from concerns with economic survival to a rising paradiplomacy reliant on shared Islamic identities Having conducted fieldwork in the Muslim Republics of Tatarstan Bashkortostan and Dagestan the book includes interviews with high ranking political figures heads of religious organisations and academics Moving beyond solely economic and geopolitical considerations the research in this book sheds light on the increasingly important role that culture and shared Islamic
