The Lingala Code:

Code-Switching in Conversation Peter Auer, 2013-07-04 Code Switching the alternating use of two or more languages has become an increasingly topical and important field of research Now available in paperback Code Switching in Conversation brings together contributions from a wide variety of sociolinguistics settings in which the phenomenon is observed It addresses not only the structure and the function but also the ideological values of such bilingual behaviour The contributors question many views of code switching on the empirical basis of many European and non European contexts By bringing together linguistics anthropological and socio psychological research they move towards a more realistic conception of bilingual conversation action

Codeswitching Worldwide. [I] Rodolfo Jacobson, 2011-07-20 The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science The series considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language

The SAGE Handbook of Sociolinguistics Ruth Wodak, Barbara Johnstone, Paul E Kerswill, 2011 This Handbook answers a long standing need for an up to date comprehensive international in depth critical survey of the history trajectory data results and key figures involved in sociolinguistics The result is a work of unprecedented coverage and insight It is all here from the foundational contributions to the field to the impact of new media new technologies of communication globalization trans border fluidities and agendas of research

Italian Gothic Horror Films, 1957-1969 Roberto Curti, 2015-04-16 The Gothic style was a key trend in Italian cinema of the 1950s and 1960s because of its peculiar often strikingly original approach to the horror genre These films portrayed Gothic staples in a stylish and idiosyncratic way and took a daring approach to the supernatural and to eroticism with the presence of menacing yet seductive female witches vampires and ghosts Thanks to such filmmakers as Mario Bava Black Sunday Riccardo Freda The Horrible Dr Hichcock and Antonio Margheriti Castle of Blood as well the iconic presence of actress Barbara Steele Italian Gothic horror went overseas and reached cult status The book examines the Italian Gothic horror of the period with an abundance of previously unpublished production information drawn from official papers and original scripts Entries include a complete cast and crew list home video releases plot summary and the author's analysis Excerpts from interviews with filmmakers scriptwriters and actors are included The foreword is by film director and scriptwriter Ernesto Gastaldi
