The Masks Of King Lear:

The Masks of King Lear Marvin Rosenberg, 1992 LEAR Does Lear walk thus Speak thus Who is it that can tell me who I am Centuries of critics and actors have tried to tell but Lear s identity and the meaning of his action in the play are still touched with enigma This book seeks Shakespeare s intentions in King Lear in new ways It explores major interpretations of distinguished actors and directors as well as of critics from England the United States France Belgium Japan Sweden Norway Germany Italy the Soviet Union Czechoslovakia Romania Hungary Bulgaria and Poland Is the play unsuited for the stage as Charles Lamb and others have declared How in fact has it been staged and how visualized by critics Is Lear designed to be a frail and aging old man A powerful image of authority Mad or senile to begin with A kindly old father Everyman All of these None Does the play end with redemption Unmitigated despair Is it Christian Pagan Mr Rosenberg confronts these and other questions from the base of his study and personal experience of the play To deepen the theatrical side of that experience he began as he did in his *The Masks of Othello* with an involvement in the staged play he directed and acted in *Othello* and he followed a production of *King Lear* through two months of rehearsal and performance One by product of this intense participation was a discovery of some special qualities in the language of the play To achieve a better understanding of these qualities Mr Rosenberg put Lear s vocabulary through a computer and established a concordance of every word both for the play as a whole and for each character Interesting structural elements in Shakespeare s language become apparent Recognizing the difficulty for a critic of responding afresh to Shakespeare s craftsmanship in characterization and in arousing expectation Mr Rosenberg also arranged to expose the play to spectators who had never seen or read it The response of this naive audience after attending performances was curious and illuminating The author believes that any critical approach must be used that will increase our understanding of Shakespeare s work BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Masks of King Lear* Marvin Rosenberg, 1972
