

THE MAYDAY RAMPAGE

"When the gifted
over-reaches, graduating his
quest for truth, his expanding
vision, and our knowledge grow."
—CUTLER

A NOVEL BY
CLAYTON BESS

The Mayday Rampage

Christine A. Jenkins, Michael Cart

The Mayday Rampage:

The Mayday Rampage Clayton Bess, 1993 High school journalists Jess and Molly create an upheaval at school and in their community as they strive to write and publish a series of frank articles about AIDS for their school newspaper

HIV/AIDS in Young Adult Novels Melissa Gross, Annette Y. Goldsmith, Debi Carruth, 2010-10-11 Not long after becoming public health concerns in the 1980s HIV and AIDS were featured in a number of works of fiction though such titles were written primarily for adult readers Mirroring the disease's indiscriminate nature however the subject would soon be incorporated into novels aimed at young adults Despite a need for accessible information on the subject it is difficult to identify fiction that contains material about HIV/AIDS as these books are seldom catalogued for this content nor is this content consistently acknowledged in published reviews In *HIV/AIDS in Young Adult Novels: An Annotated Bibliography* the authors address this gap by identifying and assessing the full range of young adult novels that include HIV/AIDS content This resource is comprised of two major parts The first part summarizes findings from a content analysis performed on novels written for readers aged 11-19 published since 1981 and featuring at least one character with HIV/AIDS The second part is an annotated bibliography of the more than 90 novels identified for use in the study Each entry in the bibliography contains an annotation that summarizes the plot and how HIV/AIDS is depicted in the story an indication of the accuracy of the HIV/AIDS content a note on how central HIV/AIDS is to the story and an evaluation of the literary quality of the book This work will assist readers in collecting, choosing, evaluating and using these works to educate readers about HIV/AIDS

Representing the Rainbow in Young Adult Literature Christine A. Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don't always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In *Representing the Rainbow in Young Adult Literature: LGBTQ Content since 1969* Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of *The Heart Has Its Reasons* this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read

about books relevant to them and their lives The Heart Has Its Reasons Michael Cart, Christine A. Jenkins, 2006-03-30 Society does not make it easy for young people regardless of their sexual orientation to find accurate nonjudgmental information about homosexuality It makes it even more difficult for young homosexuals to find positive role models in fiction either written or published expressly for them or if published for adults relevant to them and their lives The Heart Has Its Reasons examines these issues and critically evaluates the body of literature published for young adults that offers homosexual themes and characters Cart and Jenkins chart the evolution of the field of YA literature having GLBTQ gay lesbian bisexual transgendered and or queer questioning content They identify titles that are remarkable either for their excellence or failures noting the stereotypic wrongheaded and outdated books as well as the accurate thoughtful and tactful titles Useful criteria for evaluating books with GLBTQ content are provided Books and resources of all types are reviewed based on a model that uses the category descriptors of Homosexual Visibility Gay Assimilation and Queer Consciousness Community An annotated bibliography and a number of author title lists of books discussed in the text arranged by subject round out this valuable reference for teachers librarians parents and young adults *Liberating Minds* Norman G. Kester, 1997-01-01 In this work over 30 librarians such as James V Carmichael Jr Sanford Berman Martha E Stone Gerald Perry Barbara Gomez and Martha Cornog address gay and lesbian issues facing the profession and in some cases offer their own stories of understanding their sexuality and its implications on their professional lives Some of the issues addressed are the need to uphold intellectual freedom challenging the censorship of gay materials in libraries AIDS material in the library the information needs of gay and lesbian patrons collection development and confronting homophobia **SRRT Newsletter** American Library Association. Social Responsibilities Round Table, 1993 **Using Literature to Help Troubled Teenagers Cope with Health Issues** Cynthia Ann Bowman, 2000-03-30 Today traditional illnesses and high risk behaviors of adolescents have become interrelated through the multitude of physical social and emotional changes young people experience Good literature which gives adolescents the truth has incredible power to heal and to renew This reference resource provides a link for teachers media specialists parents and other adults to those novels that can help adolescents struggling with health issues Educators and therapists explore novels where common health issues are addressed in ways to captivate teens Using fictional characters these experts provide guidance on encouraging adolescents to cope while improving their reading and writing skills With the advancement in medicine traditional types of health issues such as birth defects cancer and sensory impairment have shifted to more behavior related problems such as depression alcoholism and eating disorders All of these issues and others are examined from both a literary and psychological perspective in thirteen chapters that explore health issues through fiction Each chapter confronts a different health issue and is written by a literature specialist who has teamed up with a therapist In each novel these experts define the central character's struggle in coming to terms with an issue and growing in response to their difficulties Annotated bibliographies of other works both

fiction and nonfiction explore these same issues give readers insight into helping teenagers with similar problems and provide the tools with which to get teenagers reading and addressing these problems Mayday Chris Strange,2014-05-15

WE WON THE WAR BUT CAN WE SURVIVE THE NIGHT Nineteen years ago the Maydays attacked Five colossal monsters rose from the earth and laid waste to cities around the globe pushing humanity to the brink of extinction Now those monsters are our slaves fighting each other for our amusement in brutal matches broadcast across the world courtesy of the Volkov Media Corporation A MONSTER LIES DEAD Maydays have proven themselves indestructible So when a Mayday is found dead with no cause and no witnesses Volkov s staff detective Jay Escobar is tasked with uncovering the truth before it can cripple the company THE MAYDAYS WILL RISE AGAIN This is the case that will make Escobar s career But the investigation soon spirals wildly out of control As he races to solve the case before it s too late Escobar discovers that the Mayday s death is only the first step in a plot that will see humanity plunged back into an unwinnable war And he ll be at ground zero when it begins MAYDAY is a genre bending mash up of hardboiled crime fiction and Japanese kaiju giant monster cinema Sam Spade meets Godzilla in a gripping mystery of monstrous proportions **Telling Time** Lisa Frieden,2020-06-01 Telling Time is a scholarly book that explores how novelists wrote about AIDS during the first decade of the epidemic when HIV and AIDS were considered death sentences and most often associated with homosexuality and the gay community The book explores the different narrative strategies used by novelists to represent the temporality of AIDS looking at Paul Reed s Facing It a Novel of AIDS David Feinberg s Eighty Sixed and Spontaneous Combustion and Paul Monette s Afterlife and Halfway Home and how a few novels did manage to resist the apocalyptic dominant rhetoric of AIDS The book also discusses the difficulties of publishing AIDS novels by people of color and such writers as E Lynn Harris and Steve Corbin Telling Time includes a comprehensive annotated bibliography of all American AIDS novels published from 1982 1992 as a reference guide for further reading **Mayday, I'm Fallen** Ross Chadwick,2008 Because of the Fall and Original Sin Christians inevitably face all kinds of spiritual trouble similar to the life threatening tragedies that firefighters daily battle Author and Fire Chief Ross Chadwick names Christianity as extremely hazardous and dangerous where Christians daily face risky situations that threaten their very spiritual survival and thus begs the question When we get into trouble how will we survive the raging fires Mayday I m Fallen offers ten practical tips for spiritual survival modeled after common firefighting safety tactics Not only do these tips aid the Christian in survival but they also offer vital information on being a true disciple of Christ Stop scraping by on your own When life gets tough yell out Mayday I m Fallen to your loving Savior waiting to bring you back to safe standing
