The Media Guide 1987 A Critical Review Of The Media:

The Media Guide, 1987 Jude Wanniski, 1987-03-01 **The 1989 Mediaguide** Jude Wanniski, 1989-03-15 *Human Services and the Media* Edward Allan Brawley, 1995 This practical guide demonstrates how to work with newspapers magazines radio and television to promote social programs and to shape public policy It includes numerous examples of how cooperative efforts with the media have improved the public's understanding of the helping profession educated the community about social problems and spread preventive messages An informed and supportive public at large is critical to the success of programs promoting health and mental health and the mass media are the most powerful means of reaching the public Yet few human services professionals know how to tap into this power Books in Print, 1991 *Electronic Media Criticism* Peter B. Orlik, 2001 Given the prominence of the electronic media in the 21st century it is crucial that both media professionals and consumers know how to decipher and evaluate media content the assumptions on which that content is based and the constraints to which it is subject *Electronic Media Criticism* offers a variety of critical approaches to audio and video discourse Rather than restricting itself to one perspective the book applies key aesthetic sociological philosophical psychological structural and economic principles to arrive at a comprehensive evaluation of both programming and advertising content Maintaining the approach of the original volume this second edition includes updated chapters to reflect the current media world including sample reviews and illustrations material pertaining to new media because the book is process oriented rather than medium oriented Internet referents are interspersed in discussion of the various critical perspectives two additional scripts for critical analysis an episode of *The Simpsons* and an installment of the dark Canadian comedy *The Newsroom* and new exercises for further practice in applying critical procedures Orlik interweaves the insights of industry and academic authorities recognizing that both orientations are essential in the development of a valid and viable critical outlook Written for media students and practitioners all readers of this volume will gain feasible and flexible tools for focused and rational analysis of electronic media products as well as improved understanding of the role and essential ingredients of criticism itself **Book & Print in New Zealand** Douglas Ross Harvey, K. I. D. Maslen, Penny Griffith, 1997 A guide to print culture in Aotearoa the impact of the book and other forms of print on New Zealand This collection of essays by many contributors looks at the effect of print on Maori and their oral traditions printing publishing bookselling libraries buying and collecting readers and reading awards and the print culture of many other language groups in New Zealand

The Place of Media Power Nick Couldry, 2002-01-04 This fascinating study focuses on an area neglected in previous studies of the media the meetings between ordinary people and the media Couldry explores what happens when people who normally consume the media witness media processes in action or even become the object of media attention themselves
