The Merchant Methuen Student Editions:

The Merchant Arnold Wesker, 1983 The original version of Wesker's imaginative reworking of Shakespeare's *The Merchant of Venice* With notes and commentary by Glenda Leeming *Howard Jacobson's Novels in the Context of Contemporary British Jewish Literature* Anténe, Petr, The novelist Howard Jacobson who received the 2010 Booker Prize for *The Finkler Question* has often been characterized as the British Philip Roth although he himself prefers to be viewed as the Jewish Jane Austen This monograph concludes that both comparisons may be used to comment on various features of Jacobson's oeuvre Like Roth Jacobson tends to focus on male Jewish protagonists and intimate relations between the sexes Like Austen he portrays a certain social class whether it be the British Jewish minority or the social world of British writers and university professors Apart from reflecting on the tension between Britishness and Jewishness as inseparable aspects of his characters' identities Jacobson's novels contribute to the traditions of British and Jewish humour *King of Scotland' and 'The Tobacco Merchant's Lawyer'* Iain Heggie, 2011-05-07 *King of Scotland* is an award winning dark comedy and a free adaptation of Gogol's *A Diary of a Madman* Long term unemployed Tommy McMillan joins a government funded retraining scheme Up The Ladder Cited as a shining example of the government's employment policies and chosen for a media profile Tommy is taken on by the Department of Upward Mobility The department gets more than they bargained for however when they discover just how far up the ladder Tommy is expecting to go Featuring trouserless bankers talking dogs flying taxis and a razor sharp parody of the workings of politics *King of Scotland* is an outrageous Fringe First winning monologue This volume also contains the biting satire *The Tobacco Merchant's Lawyer* Set in 1780 Glasgow is booming but the American war is looming and the city's wealth is dependent on the import and export of American tobacco Cantankerous and impoverished Enoch Dalmellington is more harried by problems how to marry off his dreich pious humourless daughter Euphemia being able to afford his pew at the Tron Kirk and what to do about Mistress Zapata's scurrilous predictions about Glasgow in the twenty first century *A Thousand Stars Explode in the Sky* David Eldridge, Robert Holman, Simon Stephens, 2013-10-21 On a farm in the North East of England a family gathers Five brothers and four generations feature in an epic play about hope love fear and the very end of time *A Thousand Stars Explode in the Sky* is a refreshingly subtle and compassionate vision of the world on the edge of apocalypse Within a cosmological context the focus is on a single family their relations with each other and their unreconciled regrets soon to become permanent With an ensemble of strong engaging characters there are knotty realistic family dynamics and a palimpsest of recent family history The characters and dialogue are naturalistic but the serious themes are elucidated and alleviated with humour and quirky surreal touches The play represents a unique collaboration between three of the UK's pre eminent stage writers The ambition of the partnership is matched by the ambition of the play's sweeping scope Whilst the three voices collide they also ring out individually without sacrificing the piece's coherent wholeness and the play represents a rare fascinating study in stage collaboration *Stiletto Beach* Sadie
