

A woman in a dark dress stands in the center of a grand, arched library, looking out a brightly lit doorway. The shelves are filled with books, and a large circular stained-glass window is visible above the doorway. The scene is dimly lit, with the primary light source being the doorway.

The Messenger Remembrance And Awakening:

The Messenger Ivan Taub,2005-01-01 Love Within begins with a story about how humanity was created Then prophecy regarding the paths of love and destruction are discussed The Storyteller then explains how thoughts create and how to recreate them Many examples and processes are offered to release emotional debris stuck emotions This story will help guide humanity out of the unconscious created world into the future Age of Consciousness and into new heights of love truth and freedom from illusion It offers you an opportunity to become enlightened it will help you remember who you are by simply realizing there is more to life There are photographs within this book in which a sphere image was taken without the photographer s knowledge Jesus states It is the Light within all things that has a resemblance of an end and a beginning Yet it is over expansive all embracing for if the image were to be inhaled it would fit within the eye of a needle Yet if it were to be exhaled it would encompass beyond what the mind could conceive for there is not a beginning and there is no end to the Light It is who you are Sacralizing the Nation through Remembrance of Medieval Religious Figures in Serbia, Bulgaria and Macedonia Stefan Rohdewald,2022-05-20 Religious figures of remembrance served to consolidate first dynastic rule and later nation state legitimacy and community This book explains the interweaving of Eastern Roman medieval Serbian and Bulgarian contexts as well as Ottoman and Western European national discourses or reinvented traditions We can distinguish a secularization and nationalization of the religious contexts in the 19th century within historicism followed by a nationalization of God and a sacralization of the nation until the end of WWII Contrary to the national views the origins of the modern content of these discourses lie only to a very limited extent in the Middle Ages or in the Early Modern period as this study shows Please note this is volume 2 of a 2 volume set Click here to see volume 1 **Rainbow Warriors Awake!** Aleia N.
