The Messiahship Of Jesus What Jews And Jewish Christians Say:

The Messiahship of Jesus Arthur W. Kac,1980-01-01 **Three Perspectives: Jewish, Christian, and Muslim**

Steven H. Propp,2009-12-30 You're Jewish aren't you? This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days. Raised by secular Jewish parents, Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage. The two young men vigorously argue with each other over the interpretation of the Hebrew Bible, particularly its reputed predictions of a Messiah. Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth. The rigorous process of self-examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov. The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures, anti-Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel, and also purported scholars who deny the reality of the Holocaust. Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami whose Muslim beliefs conflict strongly with their own. Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities. While they clash over the ideals of Zionism and its ramifications in the modern State of Israel, they are united in their horror over the terrorist attacks of September 11, 2001. Join a diverse cast of characters, some of whom appeared in the author's earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish, Christian, or Muslim in the modern world.

The Jewish Reclamation of Jesus

Donald Hagner,1997-04-04 How successful is the Jewish reclamation of Jesus in dealing with the data of the Gospels? And how convincing? It is Hagner's claim that the Jewish reclamation of Jesus has been possible only by a very selective reading of the Gospels.

The Case for Jesus the Messiah John Ankerberg,2011-12-03 Are there remarkable prophecies in the Hebrew Scriptures which identify a future Messiah? Are these prophecies so exact that they predict specific future events such as the exact time, place of birth? Have these prophecies been miraculously fulfilled? If so, what does this signify? Could these prophecies indicate the Judeo-Christian Scriptures are a divine revelation? Could they constitute evidence that even skeptics would have to consider? In this book, 3 scholars trained in apologetics, comparative religion, the Semitic languages, the Old Testament, examine the evidence for fulfilled prophecy. Do you like mysteries? Can you unravel from the Scriptural evidence the identity of the one predicted? The authors' approach to the topic is like searching for clues in a mystery novel. If you have ever asked if there is evidence that reveals the reality, nature of God, the answers the authors have uncovered may cause you to reexamine your view of reality.

Jews Or Christians? Giorgio Jossa,2006 When was Christianity born? When was it that Christianity born as a particular current within Judaism constituted itself as a religion different and separate from the Jewish

religion The question has been asked and the problem has therefore been considered since the historical critical investigation of Christian origins began However the problem has become acute only in the last few decades because of the occurrence of a whole series of circumstances and of reflections that have deeply changed the historiographic understanding regarding Judaism in the first century and thus the origins of Christianity as well Traditional opinion considered the founders of Christianity to be Jesus of Nazareth and Paul of Tarsus Recent studies however affirm that a Christian religion as distinct from the Jewish religion can be spoken of only much later and that for the entire first century and for at least a part of the second century Christianity was nothing more than a sect within Judaism Dealing with the problem from an historical point of view and thus considering not only Christianity of Jewish origin but also that of gentile origin Giorgio Jossa demonstrates that the birth of a Christian identity as distinct from Jewish identity must actually be dated back to the first period of life of the community of Jesus

The Word of the Lord Shall Go Forth Carol L. Meyers, Michael Patrick O'Connor, 1983 This volume contains fifty two essays composed in honor of David Noel Freedman and organized around the topics Hebrew Poetry and Prophecy The Prose of the Hebrew Bible History and Institutions of Israel Northwest Semitic Epigraphy and Other Perspectives A bibliography of the honoree is included Jewish Christians and Judaism William Ritchie Sorley, 1881

Jewish Answers to Jewish Questions Concerning the Messiahship of Jesus Joseph David Office, 2007 This book will explore the Old Testament roots of Christianity and how that Judaism and Christianity are inherently the same this book expounds the well founded connection to Jesus and the ancient prophetic writings Prophecy is one of the single most powerful pieces of evidence of the supernatural workings of God on earth and hence a focal point for establishing the Messiahship of Jesus This book is essential for any non believer seeking a case for why he or she should believe that Jesus died was resurrected and that He is ultimately the Savior of our souls In addition the knowledge and understanding that can be gained are not just relevant for non believers but the book is also a powerful tool for Christians who don t know everything there is to know about Messianic prophecy When Christians also understand the true potency of their own faith they are better able to teach Christ to others The author is a recent college graduate having earned his BS in Biology from Valdosta State University in 2005 His life in serving God began at the age of 13 at which time he personally experienced the life changing power of Christ and hence the purpose filled journey began Now he hopes to help others to experience the miraculous power of Jesus that he experienced In relation to the writing of this book the inspiration was born out of a love for the Jewish people and a desire to see all of God s lost sheep saved In addition he also hopes to enlighten everyday Christians making them more aware of the power of the surety of their hope in Christ He currently resides in the southeastern United States

Jewish Christians and Judaism, a Study in the History of the First Two Centuries William Ritchie Sorley, 2025-11-05 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Jews and Judaism in the Middle Ages Theodore L. Steinberg, 2007-12-30 Although Jews constituted the largest minority in medieval Europe they tend to be largely ignored in general studies of the Middle Ages with the result that their history and culture are both overlooked and misunderstood *Jews and Judaism in the Middle Ages* attempts to correct that situation by presenting in clear and accessible language an introduction to Jewish thought as well as to medieval Jewish history and texts This volume examines the everyday life of medieval Jews in both Christian and Muslim environments looks at the causes of medieval anti-Semitism and anti Judaism and includes a brief history of the persecutions to which medieval Jews were subjected Despite popular opinion today medieval Jewish life consisted of far more than persecution and suffering and the volume examines Jewish accomplishments in the fields of biblical commentary literature philosophy and mysticism demonstrating that Jewish life while often difficult also had its creative and glorious side Because the Talmud was the most important Jewish text throughout the Middle Ages this volume introduces readers to the intricacies of that long and involved work which helped to shape medieval Christianity
