The Other Walker:

Walker Tom Walsh,2007-07-01 When Walker first steps onto the road he has no thoughts no history no memories and no clothes As he travels and meets people and learns from them he comes to know more about life living and becoming the person he s meant to be Walker is a parable for all of us who wonder what might be the purpose of life why bad things happen with almost as much regularity as good things and how we can learn from the bad examples and experiences in our lives as much as we can learn from the good things Tom Walsh s parable is a story of the ages a timeless exploration of ideas and thoughts that all of us wonder about a sincere and heartfelt portrait of a man who has no past and no future but who learns to make the most of each precious present moment as it comes Prohibition and Bootlegging in the American West
