biographies of recent years and it won the Bancroft Prize that year It remains an engrossing portrait of a remarkable man It is good to take note of the sage he became in his late great books Mont St Michel and Chartres and The Education of Henry Adams This biography explains how Henry Adams became the man both admired and feared in his later years He was first a bright unformed young man who was a diplomatic assistant to his father then an ambitious journalist a writer of several sensational newspaper and magazine articles Next he became a provocative and innovative teacher and a historian unequalled in his presentation of the Jeffersonian period Until his wife s tragic death he was a willing actor on the social scene of his beloved Washington D C Throughout he remained a friend and instigator of the careers of friends in artistic and scientific fields His writings speak to us still and seem contemporary in their tone as well as their view of cycles of culture and their warnings of decline and achievement **The American Mercury** ,1926 **The Letters of T. S. Eliot** T. S. Eliot,2011-01-01 The first volume of Eliot s correspondence covers his childhood in St Louis Missouri through 1922 when he married and settled in England Volume two covers the time period of Eliot s publication of The Hollow Men and his developing ideas about poetry The Modern Language Review ,1926 **What's the Answer?** John A.
