The Overdiagnosis Of Depression Recognizing Grief And Its Transformative Potential:

The Overdiagnosis of Depression Recognizing Grief and Its Transformative Potential John M. Schneider, 2000

Loss, Grief and Existential Awareness Mai-Britt Guldin, Carlo Leget, 2024-12-17 Loss Grief and Existential Awareness introduces the Integrated Process Model IPM a new interdisciplinary and interprofessional model for grief research education and accompaniment that distinguishes and integrates five dimensions of grief physical emotional cognitive social and spiritual Central in this book is the insight that grief is connected to love because it is rooted in losing what is meaningful and dear to us Once we recognize this grief can become a window to existential awareness Combining research on the physical emotional cognitive social and spiritual dimensions of grief the integrated process approach connects this quest for a personal and authentic answer to the big questions in life with the philosophical and therapeutic tradition of existential thinking Structured in an accessible informative manner with gradual information building the book presents the IPM approach at the beginning and then turns to it as a model throughout the book so the reader gradually will start to deepen their understanding and memorize the framework The structure is enhanced with boxes with existential reflections and exercises to engage the reader and case presentations of grieving persons who are followed throughout the book This book is meant for everyone who is interested in a deeper understanding of how loss and grief can help opening the door to a more meaningful way of living It is especially helpful for healthcare professionals therapists counsellors chaplains and researchers

Loss, Grief, and Trauma in the Workplace Neil Thompson, Dale Lund, 2017-07-12 The workplace is not immune to the problems pressures and challenges presented by experiences of loss and trauma and the grief reactions they produce This clearly written well crafted book offers important insights and understanding to help us appreciate the difficulties involved and prepare ourselves for dealing with such demanding situations when they arise People's experiences of loss and trauma are of course not left at the factory gate or the office door Nor are loss and traumatic events absent from the workplace itself Loss grief and trauma are very much a part of life and that includes working life Executives managers human resource professionals and employee assistance staff need to have at least a basic understanding of how loss grief and trauma affect people in the workplace This book provides that foundation of understanding and offers guidance on how to find out more about these vitally important workplace issues The text provides a valuable blend of theory and practice that will be of interest to those involved in management human resources and organizational studies as well as those interested in the social scientific study of loss grief and trauma and of course to those involved in the helping professions It is essential reading for anyone concerned with making the workplace a more humane and effective environment or anyone wishing to develop an understanding of the complexities of loss grief and trauma in our lives

The Professional Social Worker Neil Thompson, 2017-09-16 In this ground breaking text book bestselling author Neil Thompson turns his attention to the question of What does it mean to be truly professional in the field of social work Notions of professionalism in social work have

changed over time Early traditional ideas showed themselves to be elitist and inconsistent with the fundamental principles of social work and have been followed by a period of uncertainty as to whether or not social workers are professionals at all Now with a move towards a new form of professionalism beginning to take shape this book presents a cogent argument for reaffirming this vital aspect of social work Informed by extensive experience and expertise Thompson examines the role of the modern day social worker in four parts as problem solver thinker manager and professional Whether a student new to the complexities of this demanding rewarding field taking a social work practice or placement module or a qualified practitioner seeking a source of guidance this book will help meet the challenge of developing a professionalism that is consistent with the values of contemporary social work The Depression of Grief Alan D. Wolfelt, 2014-02-01 Recognizing that depression is a normal and natural component of grief this compassionate guide helps mourners understand their depression express it in healing ways and know when they may be experiencing a more severe or clinical depression that would be eased by professional treatment It proposes that grieving people do not necessarily need to be diagnosed with depression following the death of a loved one and guides them through exercises to express their depression in healthy ways In a society where mourning and melancholia are often ignored this book gives mourners the supported and reassurance necessary to understand and appreciate that their depression is a regular part of the grieving process **Finding My Way** John M. Schneider, 1994-01-01 FINDING MY WAY portrays grief as a process that transforms loss through a comprehensive holistic approach Rich with life stories the reader is invited to understand AND experience how we respond to loss validate the range of normal responses to significant losses Grief as a response to loss is explored from global to specific losses from a research perspective to the integrated workings of the mind body spirit This book is intended for anyone who wishes to understand the transformative potential of grief includes a broad spectrum of losses changes from birth to death from everyday losses to major life changes John Schneider Ph D is a Professor Emeritus of Psychiatry a clinical psychologist at the humanistic medical schools at Michigan State University His first book STRESS LOSS GRIEF 1984 is considered one of the most comprehensive models of grief available To order Seasons Rte 2 Box 75 Colfax WI 54730
