The Oxford Of Military Anecdotes

Joseph E. Persico

The Oxford Of Military Anecdotes:

The Oxford Book of Military Anecdotes Max Hastings, 1985 This collection of anecdotes is principally concerned with American and British conflicts Hastings has sought stories that illustrate the military condition through the ages both on the battlefield and in the barracks

The Oxford Book of Canadian Military Anecdotes Victor Suthren, 1991 **The Oxford Book of Canadian Military Anecdotes** Victor J. H. Suthren, 1989 Gathers stories from the early explorers of New France Loyalists in the American Revolution the Northwest Rebellion the Boer War the First and Second World Wars and peace keeping efforts with the U N

The Redcoat and Religion Michael Snape, 2013-01-11 This compelling study presents the most comprehensive examination available of the role of religion in the army during the eighteenth and nineteenth centuries Through extensive analysis of official military sources religious publications and personal memoirs Michael Snape challenges the widely held assumption that religion did not play a role in the British Army until the mid Victorian period and demonstrates that the British soldier was highly susceptible to religious influences long before the Crimean War and Indian Mutiny rendered the subject of wider public concern In *The Redcoat and Religion* Snape argues that religion was of significant even defining importance to the British soldier and reveals the enduring strength and vitality of religion in contemporary British society challenging the view that the popular religious culture of the era was wholly dependent upon the presence and activities of women

Students of British history military history and religion will all find this an insightful resource for their studies

Parameters , 1991

Eleventh Month, Eleventh Day, Eleventh Hour Joseph E. Persico, 2007-12-18 November 11 1918 The final hours pulsate with tension as every man in the trenches hopes to escape the melancholy distinction of being the last to die in World War I The Allied generals knew the fighting would end precisely at 11 00 A M yet in the final hours they flung men against an already beaten Germany The result Eleven thousand casualties suffered more than during the D Day invasion of Normandy Why Allied commanders wanted to punish the enemy to the very last moment and career officers saw a fast fading chance for glory and promotion Joseph E Persico puts the reader in the trenches with the forgotten and the famous among the latter Corporal Adolf Hitler Captain Harry Truman and Colonels Douglas MacArthur and George Patton Mainly he follows ordinary soldiers lives illuminating their fate as the end approaches Persico sets the last day of the war in historic context with a gripping reprise of all that led up to it from the 1914 assassination of the Austrian archduke Franz Ferdinand which ignited the war to the raw racism black doughboys endured except when ordered to advance and die in the war's last hour Persico recounts the war's bloody climax in a cinematic style that evokes *All Quiet on the Western Front* *Grand Illusion* and *Paths of Glory* The pointless fighting on the last day of the war is the perfect metaphor for the four years that preceded it years of senseless slaughter for hollow purposes This book is sure to become the definitive history of the end of a conflict Winston Churchill called the hardest cruelest and least rewarded of all the wars that have been fought

Samuel Stouffer and the GI Survey Joseph W. Ryan, 2013-11-01 Samuel Stouffer a

little known sociologist from Sac City Iowa is likely not a name World War II historians associate with other stalwart men of the war such as Eisenhower Patton or MacArthur Yet Stouffer in his role as head of the Army Information and Education Division's Research Branch spearheaded an effort to understand the citizen soldier his reasons for fighting and his overall Army experience Using empirical methods of inquiry to transform general assumptions about leadership and soldiering into a sociological understanding of a draftee Army Stouffer perhaps did more for the everyday soldier than any general officer could have hoped to accomplish Stouffer and his colleagues surveyed more than a half million American GIs during World War II asking questions about everything from promotions and rations to combat motivation and beliefs about the enemy Soldiers answers often demonstrated that their opinions differed greatly from what their senior leaders thought soldier opinions were or should be Stouffer and his team of sociologists published monthly reports entitled What the Soldier Thinks and after the war compiled the Research Branch's exhaustive data into an indispensable study popularly referred to as The American Soldier General George C Marshall was one of the first to recognize the value of Stouffer's work referring to The American Soldier as the first quantitative studies of the mental and emotional life of the soldier Marshall also recognized the considerable value of The American Soldier beyond the military Stouffer's wartime work influenced multiple facets of policy including demobilization and the GI Bill Post war Stouffer's techniques in survey research set the state of the art in the civilian world as well Both a biography of Samuel Stouffer and a study of the Research Branch Samuel Stouffer and the GI Survey illuminates the role that sociology played in understanding the American draftee Army of the Second World War Joseph W Ryan tracks Stouffer's career as he guided the Army leadership toward a more accurate knowledge of their citizen soldiers while simultaneously establishing the parameters of modern survey research David R Segal's introduction places Stouffer among the elite sociologists of his day and discusses his lasting impact on the field Stouffer and his team changed how Americans think about war and how citizen soldiers were treated during wartime Samuel Stouffer and the GI Survey brings a contemporary perspective to these significant contributions

Hell Before Breakfast Robert H. Patton, 2015-06-09

From acclaimed historian Robert H Patton author of *The Pattons* and *Patriot Pirates* a rediscovery and celebration of America's first chroniclers of foreign war The first war correspondent William H Russell of *The Times* of London described himself and his profession as the miserable parent of a luckless tribe But it wasn't long before others saw it differently *Hell Before Breakfast* is the spectacular tale of larger than life Americans who made it their business to bring back news from the front from Bull Run to the Paris Commune from Africa to the Ottoman Empire through decades of lightning fast technological progress and high adventure As America matured into a great power and the monarchies of Europe battled for dominance through a series of brief bloody imperial wars with the storm clouds of World War I drawing rapidly closer these men and their newspapers were at center stage the vanguard of a golden age of war correspondence

Liberty The Museum of the American Revolution The Museum of the American Revolution, 2021-10-14 Using a masterful combination of artistry and

accuracy New York Times nationally renowned historical artist Don Troiani has dedicated much of his career to transforming the modern understanding of what the Revolutionary War truly looked like His research based paintings capture the reality and drama of crucial moments such as the 1775 Battle of Bunker Hill General Washington s daring 1776 attack on Trenton and the American and French victory at Yorktown in 1781 Liberty Don Troiani s Paintings of the Revolutionary War the book that serves as catalog for the exhibit of Troiani s work at the Museum of the American Revolution highlights the most pivotal events of America s fight for independence and reveals Troiani s research based artistic process For the first time in a museum this special exhibition brings together over forty of Troiani s original Revolutionary War paintings and pairs them with forty artifacts from his personal collection that of the Museum and several private collectors <https://www.amrevmuseum.org/exhibits/liberty-or-death-don-troiani-s-paintings-of-the-revolutionary-war> The exhibit and the book unveil Troiani s latest canvas a painting of the young African American sailor and Philadelphian James Forten witnessing Black and Native American troops in the ranks of the Continental Army as they march past Independence Hall on their way to Yorktown Virginia The painting was commissioned in 2019 by the Museum with funding provided by the Washington Rochambeau Revolutionary Route National Historic Trail of the National Park Service The exhibit will be open from October 16 2021 to September 5 2022

Soldiers' Lives through History - The Ancient World Richard A. Gabriel, 2006-11-30 Once warfare became established in ancient civilizations it s hard to find any other social institution that developed as quickly In less than a thousand years humans brought forth the sword sling dagger mace bronze and copper weapons and fortified towns The next thousand years saw the emergence of iron weapons the chariot the standing professional army military academies general staffs military training permanent arms industries written texts on tactics military procurement logistics systems conscription and military pay By 2 000 B C E war was an important institution in almost all major cultures of the world This book shows readers how soldiers were recruited outfitted how they fought and how they were cared for when injured or when they died It covers soldiers in major civilizations from about 4000 B C E to about 450 C E Topics are discussed cross culturally drawing examples from several of the cultures armies and time periods within each chapter in order to provide the reader with as comprehensive an understanding as possible and to avoid the usual Western centric perspective too common in analyses of ancient warfare

The Role and Limitations of Technology in U.S. Counterinsurgency Warfare Richard W. Rubright, 2015-02 Richard W Rubright addresses the limits and constraints of technology in enhancing American military capability Analyzing the confines and self imposed restrictions on the use of technology as well as current military doctrine he develops a new rubric for guiding the military in modern warfare This book is the first to address the role of technology in counterinsurgency operations within operational tactical and strategic contexts Dust jacket

The Crimean War and its Afterlife Lara Kriegel, 2022-02-17 Rescuing the Crimean War from the shadows Lara Kriegel demonstrates the centrality of a Victorian war to the making of modern Britain

The Canadian Experience of the Great War Brian Douglas

Tennyson,2013-05 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don t even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson s *The Canadian Experience of the Great War A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans

Interrogating the Visual Culture of Trumpism Grant Hamming,Natalie E. Phillips,2024-08-26 Bringing together scholars from art history visual studies and related disciplines this edited volume asks why Trumpism looks the way it does and what that look means for American and global society Grouped into six categories the essays in this volume tackle some of the most perplexing and urgent aspects of the Trumpist visual project Two of the most striking aspects of that project are its use of novel commodity forms including the iconic red baseball caps as well as its embrace of social media Trump s outlandish persona and striking physicality have lent themselves to caricature both from his critics and perhaps more surprisingly his supporters That physicality as well as his movement s hearkening back to a mostly imagined era of mid twentieth century prosperity has also brought gender and the body into sharp focus Perhaps second only to the aforementioned red hat is Trumpism s vigorous use of interventions into public space including traditional campaign signs as well as flags and other ad hoc visual and architectural materials Finally there were the events of January 6 2021 when many of Trumpism s most outr visual and cultural preoccupations exploded from the shadows onto television screens across the country Taken as a whole the essays in this book examine Trumpist visuality from the seemingly trivial to the starkly horrifying as well as offering a measured sense of the various resistances and responses that have characterized artistic responses to Trump from the beginning of his prominence The book will be of interest to scholars working in art history visual culture American studies and cultural and media studies

Understanding War Christian P. Potholm,2016-08-03 The third book in Professor Christian Potholm s war trilogy which includes *Winning at War* and *War Wisdom* *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material *Understanding War* is thus the most comprehensive annotated

bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these Understanding War enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures **The War on**

Terror in Comparative Perspective M. Miller,B. Stefanova,2006-11-14 This book offers a thoughtful analysis of the international and domestic political impact of the global war on terrorism through the prism of US security relations in the wake of 9 11 Focused on regional and country specific responses and consequences the book considers the change and continuity in the international system **Free France's Lion** William Mortimer Moore,2011-11-19 A fine biography of Leclerc who played almost as important a part as de Gaulle himself in restoring French pride in the Second World War Antony Beevor international bestselling author of D Day From the fall of France until 1943 Philippe Leclerc dovetailed his operations with the British effort in North Africa establishing himself as a dynamic combat leader in the battles against Rommel But once the conflict shifted to European soil he became even more prominent as the commander of the 2nd French Armored Division the famous 2e DB For the next two years he was under the operational control of either Patton s Third Army as in the Normandy breakout Hodges First Army at the Westwall or Patch s Seventh Army in the south His career not only includes the liberation of Paris for which he is most famous but the retaking of Strasbourg and the reduction of the Colmar Pocket Helping to spearhead the advance into Germany itself Leclerc s armor comprised a rock upon which American units could rely and its waving the tricolor during the Allied counter invasion went far toward retrieving French prestige in the war Leclerc is one of very few Frenchmen of whom it can be said that he never stopped fighting to regain France s freedom from the debacle of 1940 right through to the end The first full scale biography in English of the liberator of Paris Free France s Lion will make fascinating reading for any serious student of the full scope of World War II Publishers Weekly

War Wisdom Christian P. Potholm,2015-10-16 War Wisdom A Cross Cultural Sampling is a unique combination of directory and analysis It provides a relevant universe of quotations together with their authors about war from various ages and across a large number of societies including those found in China Japan Persia Mongolia Europe and America both North and South as well as Native American nations and Africa A lengthy introductory essay presents and analyzes a dozen relevant themes found throughout those cultures themes which show a pattern of very widespread if not universal appeal Of particular relevance is the author s engagement with the conflicting wisdom pertaining to war found within the same society as well as common themes appearing across cultures societies and time frames **Heroic Option** Desmond Bowen,Jean Bowen,2005-01-01 It is a curious paradox that while for many centuries there has been deep antagonism between the British and the Irish the latter have fought the former s wars with exemplary courage and tenacity This has never been better

demonstrated than when as a result of the Irish regiments superb service in the South African War Boer War at the end of the 19th Century Queen Victoria ordered the formation of the Irish Guards in 1900 as a mark of the Nation s gratitude Even after the trauma of Partition Irishmen continued to serve in Irish regiments in large numbers and the tradition continued today Indeed during the Second World War a very significant number of the most influential generals were of Irish extraction

What the Great Ate Matthew Jacob,Mark Jacob,2010 A lighthearted pop history of the diets of celebrities and famous historical figures shares whimsical anecdotes including Angelina Jolie s consumption of roaches and Lord Byron s vinegar weight loss regime

Enjoying the Beat of Appearance: An Psychological Symphony within **The Oxford Of Military Anecdotes**

In a global eaten by screens and the ceaseless chatter of fast connection, the melodic beauty and emotional symphony developed by the written term usually fade into the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. Nevertheless, set within the pages of **The Oxford Of Military Anecdotes** a marvelous literary treasure filled with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that interesting masterpiece conducts visitors on a mental journey, skillfully unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths of the touching analysis, we will discover the book is key harmonies, analyze its enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

be the The Oxford Of Military Anecdotes full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Oxford Of Military Anecdotes eBooks, including some popular titles.

FAQs About The Oxford Of Military Anecdotes Books

What is a The Oxford Of Military Anecdotes PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Oxford Of Military Anecdotes PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Oxford Of Military Anecdotes PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Oxford Of Military Anecdotes PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Oxford Of Military Anecdotes PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
