The Oxyrhynchus Papyri Volume 52:

Revelation 17-22, Volume 52C Dr. David Aune, 2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation: the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure: Setting a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment: verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation: brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1) within the context of the book itself; 2) its meaning in the OT or NT; 3) its place in the entire canon; 4) theological relevance to broader OT or NT issues. General Bibliography: occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

The Oxyrhynchus

Papyri vol. LXXXVII N. Gonis, P. J. Parsons, 2023-12-31 This volume includes editions of fifty eight papyri and one text on parchment Among the theological texts three are of exceptional interest 5575 is an early copy of sayings of Jesus corresponding in part to the canonical gospels of Matthew and Luke and in part to the apocryphal gospel of Thomas Jesus is also the speaker in 5576 and apparently in 5577 where Mary is addressed Both pieces may be loosely called Gnostic the latter appears to be Valentinian Of the new literary items the most extensive is 5584 a collection of short biographies of eminent Romans written a century earlier than Plutarch Plutarch's own Homeric Studies now mostly lost may be recognized in 5585 Early Greek philosophy is represented by 5583 a full column of what appears to be Antiphon's On Truth The extant literary texts are fragments of two papyrological rarities the historical work of Aristodemus 5586 7 and the astrological poetry ascribed to Manetho 5588 90 The documentary section illustrates social and economic realities of late antique estates mostly that of the Apions there is new evidence on the handling of wine distributions on the pricing of equipment and materials and on the more mundane relations of the Apion estate to monasteries *Brill's Companion to the Reception of Plutarch*, 2019-10-07 The Greek biographer and philosopher Plutarch of Chaeronea c 45 125 AD makes a fascinating case study for reception studies not least because of his uniquely extensive and diverse afterlife Brill's Companion to the Reception of Plutarch offers the first comprehensive analysis of Plutarch's rich reception history from the Roman Imperial period through Late Antiquity and Byzantium to the Renaissance Enlightenment and the modern era The thirty seven chapters that make up this volume written by a remarkable line up of experts explore the appreciation contestation and creative appropriation of Plutarch himself his thought and work in the history of literature across various cultures and intellectual traditions in Europe America North Africa and the Middle East **God and Christ in Irenaeus** Anthony Briggman, 2018-12-06 For too long certain scholars have been content to portray Irenaeus of Lyons as a well meaning churchman but incompetent theologian By offering a careful reading of Irenaeus polemical and constructive arguments God and Christ in Irenaeus contradicts these claims by showing that he was highly educated trained in the rhetorical arts aware of general philosophical positions and able to use both rhetorical and philosophical theories and methods in his argumentation Moreover the theological account laid down by his pen was original and sophisticated supremely so for one of the second century In contrast to readings that minimize the metaphysical dimension of Irenaeus theology Anthony Briggman establishes as pillars of Irenaeus polemical argumentation and constructive theology his conception of the divine being as infinite and simple the reciprocal immanence of the Word Son and God the Father divine generation the union of the divine Word Son and human nature in the person of Christ and the revelatory activity of the infinite and incomprehensible Word Son amongst other features of his theology Briggman offers a fundamentally new understanding of Irenaeus and his thought *The Art of Living* John Sellars, 2018-01-18 This title was first published in 2003 Presenting philosophy as an art concerned with one's way of life Sellars draws on Socratic and Stoic philosophical resources and argues for the ancient claim that

philosophy is primarily expressed in one's behaviour The book considers the relationship between philosophy and biography and the bearing that this relationship has on debates concerning the nature and function of philosophy Questioning the premise that philosophy can only be conceived as a rational discourse Sellars presents it instead as an art *techne* that combines both *logos* rational discourse and *askesis* training and suggests that this will make it possible to understand better the relationship between philosophy and biography The first part of this book outlines the Socratic conception of philosophy as an art and the Stoic development of this idea into an art of living as well as considering some of the ancient objections to the Stoic conception Part Two goes on to examine the relationship between philosophical discourse and exercises in Stoic philosophy Taking the literary form of such exercises as central the author analyses two texts devoted to philosophical exercises by Epictetus and Marcus Aurelius

Brill's Companion to Hesiod Franco Montanari, Chr. Tsagalis, Antonios Rengakos, 2009-09-15 This is the first full scale companion on Hesiod to appear in English The twelve contributions included in this volume cover a wide range of aspects of Hesiodic poetry such as the relation between Hesiod and the literary traditions of the Near East and the entire span of works comprising the Hesiodic corpus from the *Theogony* and the *Works and Days* to the *Melampodia* and the *Aigimios* They also explore the language style poetics and narrative art of Hesiod as well as his influence on Hellenistic and Roman poetry but also his reception by the ancient biographical traditions and scholia The aim of this volume is to supply all those interested in Greek poetry with an up to date and comprehensive overview of scholarly approaches to Hesiod and various other works which have come down to us under his name

L. Annaeus Cornutus George Boys-Stones, 2018-12-13 The first English translation of Greek Theology The first century CE North African philosopher Cornutus lived in Rome as a philosopher and is best known today for his surviving work *Greek Theology* which explores the origins and names of the Greek gods However he was also interested in the language and literature of the poets Persius and Lucan and wrote one of the first commentaries on Virgil This book collects and translates all of our evidence for Cornutus for the first time and includes the first published English translation of *Greek Theology* This collection offers entirely fresh insight into the intellectual world of the first century Features Translation based on the latest critical text The first truly holistic picture of Cornutus's intellectual profile A new account of the early debate over Aristotle's *Categories* and the Stoic contribution to it

Thesaurus Linguae Graecae Maria C. Pantelia, 2022-04-26 The *Thesaurus Linguae Graecae* A Bibliographic Guide to the Canon of Greek Authors and Works TLG is a comprehensive catalog of the authors and works that have survived in Greek from antiquity eighth century BCE to the present era and have been collected and digitized by the TLG in its fifty year history It provides biographical information about each author such as dates place of birth and literary activity as well as a list of their extant works and print publications This volume encompasses more than 4 400 authors and 17 000 individual works It offers a concise and authoritative literary history of Greek literature and is an indispensable reference source for its study

The Oxyrhynchus Papyri Volume 52 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Oxyrhynchus Papyri Volume 52 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Oxyrhynchus Papyri Volume 52 has opened up a world of possibilities. Downloading The Oxyrhynchus Papyri Volume 52 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Oxyrhynchus Papyri Volume 52 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Oxyrhynchus Papyri Volume 52. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Oxyrhynchus Papyri Volume 52. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Oxyrhynchus Papyri Volume 52, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download The Oxyrhynchus Papyri Volume 52 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
