The Pabion Narratives Of The Gospels:

Gospel Narratives Henry Adolphus Miles, 1854 *The Jesus Story*, 2008 The Jesus Story is a seamless narrative woven from the different perspectives of the four Gospel writers Matthew Mark Luke and John The Gospels were placed one after another in the part of the Bible called The New Testament The first three are referred to as the Synoptic Gospels because they describe events from a similar point of view as contrasted with that of John Each Gospel was written to a particular audience to portray a unique aspect of Jesus life and teaching When these four reports are combined into a complete flowing narrative we have the chronological order of every known fact of Jesus life By omitting duplication the four books fit together perfectly The result is not a literary curiosity but a more convincing and readable story than any of the four Gospels alone This masterpiece which took 23 years to complete is true to the original Greek and yet easy to read As for organization the story is divided into seven chapters Jesus s preparation each of the four years of his ministry his final week and his death resurrection and ascension Between these sections the story flows without the distraction of chapter and verse references subject headings footnotes cross references and commentary You ll be able to read the story of Jesus as you would a novel c From publisher s description *Parallel Lives of Jesus* Edward Adams, 2011-01-01 This is an introductory guide to the four New Testament Gospels as overlapping accounts of the life death and resurrection of Jesus each with its own distinctive emphases and concerns Part One deals first with the fact that there are four Gospels in the canon and looks at how the fourfold Gospel emerged The literary relationships between the Gospels are dealt with next followed by the composition of the Gospels Part Two looks at each Gospel its structure contents style and narrative technique its presentation of Jesus and its particular interests and themes **The Gospels Interwoven** Kermit Zarley, 2001-10-05 The Gospels Interwoven is a chronologically arranged narrative of the life of Jesus blending all details from the separate Gospel accounts in the words of the New International Version With solutions to questions rising from a comparison of the Gospels The Gospels Interwoven is for students of the Word teachers pastors and anyone wanting a more complete knowledge of the life of God s eternal Son

The Single Gospel Neil Averitt, 2015-09-17 The life of Jesus is at the heart of the Christian faith and is one of the great works of Western literature This book presents the story in a new form more accessible than ever before It weaves the four separate gospel accounts into one continuous story And it presents the story in a new translation traditional but clear Here the reader can find the episodes laid out in an understandable narrative sequence The nativity at Bethlehem is followed by the visit of the wise men And for each scene the rich details are collected from all the gospel accounts giving a complete picture of complex events like the Sermon on the Mount or Jesus climactic encounter with Pilate The new language is clear as well It is traditional scripture inconspicuously updated for modern readers supplemented with contemporary language for difficult concepts and using the grand and familiar language of the King James where appropriate Low key explanations fill in the details Short footnotes explain the key concepts and longer endnotes provide additional depth This book opens the

gospels to everyone Christians who want to better understand their faith and general readers who want to rediscover a great work of literature *Gospels As Stories* Jeannine K. Brown,2020-06-16 A popular writer and teacher shows how a narrative approach illuminates each of the Gospels helping readers see the overarching stories **The Four Gospels as Historical Records** ,1895 **The Life of Jesus** Pinch Village Llc,2014-07-31 This is the complete story of Jesus taken directly out of the four gospels It takes all the features of the classic Jesus narratives and harmonies of all time and combines them so readers may conveniently enjoy the casual reading contextual study and textual criticism of Jesus life all from the same volume of material All events in Jesus life like Tatian s Diatessaron 160 Every word of the gospel like Augustine s Harmony 400 Organizes similar verses like Jefferson s Life and Morals 1820 Removes duplicate text like McGarvey s Four Fold 1914 Compares side by side like Robertson s Harmony 1932 Enumerates all passages using Aland s Synopsis 1985 Chronological like Watchtower s Greatest Man 1991 Indexes every verse like Cheney s Greatest Life 1994 Harmonizes word by word like Crossland s Merged 2007 Attractively formatted like MacArthur s Perfect Life 2013 Modern English using Johnson s World English Bible 2014 Parts one through six form a clean continuous narrative free from in line scripture references Part seven presents the technical apparatus showing sequential synthesis for every word Part eight contains a scripture index so the reader may lookup any verse The Interwoven Gospels and Gospel Harmony ,1891 **The Gospel** James E. Harris,2004 The Gospel is a harmony in the truest sense of the word a blending of the four gospels into one narrative It is a chronological arrangement of the events that took place during the earthly life and ministry of Jesus Christ from birth to death on the cross and resurrection as recorded by the four saints It is word for word unchanged from the original text of the Authorized King James Version of the holy bible and arranged in the familiar two column format When same events are recorded in two or more versions of the gospel the most descriptive one has been utilized Parallel verses that are most descriptive have been taken from another version and blended into the chosen narrative for the most comprehensive account possible All gospel harmonies are a matter of interpretation No two can be found that are in complete agreement as to the chronological order of events This harmony challenges some centuries old and generally accepted placements These contrary to traditional placements answer many long debated questions among others was Jesus rejected at Nazareth before or after the first Passover where and when did Jesus begin his public ministry what was the duration of his ministry was John 5 1 the unnamed feast of the Jews Passover at what point chronologically did Jesus go to Jerusalem for this feast did the second cleansing of the temple occur on Sunday or Monday was Wednesday of Holy Week a non event day The journey of Jesus during the last six months has been described as the most perplexing question in harmonistic study In this harmony the combination of Luke and John during this period leaves nothing to be questioned A separate explanatory note and chronological arrangement of the last six months of gospel history has been included for special study The Gospel is a book for all ages denominational persuasion and level of chronological study and understanding
