The Pain Tree And Other Stories:

The Pain Tree, and Other Stories Charles Wilkinson, 2000 **The Sandal Trees and Other Stories** Kamalā Surayya, 1995 This is the first collection of translations in English of stories originally written in Malayalam by Kamala Das under the pen name Madhavi Kutty. They amply demonstrate Kamala Das's special contribution to the short story in Malayalam. All the major attributes of her writing are evident: her subtlety and power in dealing with human relationships and intrigues of love, life and death, and her earthiness, sensuousness and sensuality.

The Jamun Tree and other Stories on the Environment Pamela Chatterjee, 2012-01-01 The Jamun Tree and other stories on the environment provides an insider's view from the villages of work related to natural resource management. It describes the process by which farmers were motivated and involved to regard the work to be done as their own. It is a narration of the personal experience of people in those village areas where the author worked. Starting the endeavour with just 95 farmers on a mere 18 hectares of land, the programme has benefitted over 10,000 farmers by reclaiming over 4,600 hectares in just two years. Till date, with the intervention of the World Bank, a total of 6.25 lakh hectares has been reclaimed, and the work is still on. The action taken found an echo with local people as it followed the need of the hour right there in the field with innovative techniques and new ideas.

A young terrorist dreams the impossible dream, and a young Harvard professor finds his weekend strangely frustrated, and what comes of it.
