

THE  
PANAMA  
STORY

JEAN GILBREATH NIEMEIER

# The Panama Story

**Mario Carretero, James F. Voss**

## **The Panama Story:**

*The History of Panama* Robert C. Harding, 2006-05-30 As the narrowest stretch of land in the Central American isthmus Panama's geographical location has for millennia made it the crossroads for traders travelers European pirates and world superpowers Panamanian history is replete with explicit or tacit domination by others In the post Columbus period Panama was first a Spanish colony then a province of Colombia and then finally a quasi territory of the United States during the 20th century Suffering invasion by the United States in 1989 to oust dictator Manuel Noriega and then receiving full ownership of the Panama Canal at the end of 1999 Panama has rebuilt itself into a strong if contentious democracy This work chronicles and highlights the key events and figures in the country's past 500 years of history from Columbus to current day It begins with Panama's colonial period demonstrating how even in its early day the isthmus was seen by the Spanish as merely a transshipment point It then examines the post Spanish period when the Colombian province of Panama became a forgotten backwater until European powers began vying for canal rights leading to an ill fated French effort The main portion of the book details the events figures and intricacies of the Panama U S relationship which dominated Panama's history for the entire 20th century It closes with an examination of the gains and challenges the country has faced in the post U S invasion years

*The Panama Railroad* Peter Pyne, 2021-03-30 In 1848 a group of ambitious American entrepreneurs decided to embark upon a remarkable engineering feat they would build a railroad across the Isthmus of Panama to connect the Atlantic and Pacific Oceans The creation of the Panama Railroad ranks as one the boldest capitalist ventures in the 19th century and would require battling climate disease and geography before it was completed On a human level it would transform the destiny of thousands of lives in America Panama the West Indies and Asia as well as in Ireland The Panama Railroad provides the first comprehensive account of the railroad's construction going well beyond the known stories of the titans of industry involved with its construction such as William Aspinwall George Law and Cornelius Vanderbilt It seeks to correct false claims and address numerous gaps in past histories and in particular showcases the stories of the ordinary Irish workers willing to travel halfway around the globe to pursue an uncertain future and a perilous undertaking in the hopes of escaping the devastating aftermath of the Great Famine of 1845-49

*The Panama Papers* Frederik Obermaier, Bastian Obermayer, 2017-03-30 From the winners of the 2017 Pulitzer Prize for Explanatory Reporting 11.5 million documents sent through encrypted channels The secret records of 214,000 offshore companies The largest data leak in history In early 2015 an anonymous whistle blower led investigative journalists Bastian Obermayer and Frederik Obermaier into the shadow economy where the super rich hide billions of dollars in complex financial networks Thus began the ground breaking investigation that saw an international team of 400 journalists work in secret for a year to uncover cases involving heads of state politicians businessmen big banks the mafia diamond miners art dealers and celebrities A real life thriller The Panama Papers is the gripping account of how the story of the century was exposed to the world

**Erased** Marixa Lasso, 2019-02-25

Cutting a path from the Atlantic to the Pacific the Panama Canal set a new course for the development of Central America but at considerable cost to Panamanians Sleuth and scholar Marixa Lasso recounts how the canal's American builders displaced 40 000 residents and erased entire towns in the guise of bringing modernity to the tropics **Panama Fever** Matthew Parker, 2009-03-10 The Panama Canal was the costliest undertaking in history its completion in 1914 marked the beginning of the American Century Panama Fever draws on contemporary accounts bringing the experience of those who built the canal vividly to life Politicians engaged in high stakes diplomacy in order to influence its construction Meanwhile engineers and workers from around the world rushed to take advantage of high wages and the chance to be a part of history Filled with remarkable characters Panama Fever is an epic history that shows how a small fiercely contested strip of land made the world a smaller place and launched the era of American global dominance *The Panama Story* Jean Gilbreath Niemeier, 1968 **Donegan and the Panama Canal** Thomas E. Morrissey, 2009-10-06 Donegan and the Panama Canal is a fictionalized first person story of why and how the United States built a canal in Panama in 1903 This story is a sequel to Mr Morrissey's previous novel of the Spanish American War Donegan and the Splendid Little War No one had previously written an historical novel of either of these events The title character of Donegan and the Panama Canal is Patrick Donegan 1875 1958 the son of Irish immigrants to Philadelphia Donegan belatedly wrote this memoir in 1953 but his grandson Thomas Morrissey did not publish it for another fifty years Patrick Donegan had previously served on a Spanish merchant ship for two years before its captain stranded him in Santiago de Cuba in 1895 He became a war profiteer during the Cuban revolt against Spain and wrote propaganda articles for the Cubans before William Randolph Hearst hired him to write for the New York Journal Donegan and the Splendid Little War relates how Donegan wrote biased pro Cuban stories for Hearst He telegraphed a misleading account of the explosion of the American battleship Maine which ultimately caused the United States to declare war on Spain He accompanied Theodore Roosevelt and the Rough Riders in their famous charge up San Juan Hill He published an exclusive eyewitness account of President McKinley's assassination but Hearst fired him when Joseph Pulitzer discovered that Donegan had written a short poem that may have inspired McKinley's assassin Donegan left the field of journalism and secretly became a lobbyist for the Panama Canal Donegan and the Panama Canal tells the story how Hearst ordered Donegan a year before he fired him in 1901 to sail around South America and disembark at the west coast of Nicaragua Hearst a Nicaraguan Canal partisan did not know that Donegan had already promised Philippe Bunau Varilla a French engineer who had served in Ferdinand de Lesseps' earlier ill fated attempt to build a canal in Panama that he would support a Panama Canal Captain Michael Healy piloted the ship that carried Donegan during their long journey through the Strait of Magellan to Central America Donegan traveled through Nicaragua and interviewed her president and the American minister He wrote many negative articles about Nicaragua and warned the American public that many active and dangerous volcanoes flourished in Nicaragua that could easily destroy any canal built there Hearst appointed Donegan to

cover the Washington political scene when he returned to New York Donegan accompanied Philippe Bunau Varilla when this French lobbyist promoted the Panama Canal in many speeches throughout the United States Bunau Varilla convinced Senator Mark Hanna President William McKinleys eminence grise that the Panama site was preferable to Nicaragua McKinley remained non committal about where to build the canal but Senator John Tyler Morgan of Alabama the chief Nicaragua advocate viciously attacked Philippe and Donegans Panama site After Hearst fired him after President McKinleys assassination Donegan sailed to France where he met William Nelson Cromwell the legal representative of the Panama Railroad and the New Panama Canal Company Donegan agreed to work with Cromwell on the canal question although he personally despised him Donegan conferred with Bunau Varilla in France but they quickly returned to America when they heard that Congress would soon vote on whether the canal should be built in Panama or Nicaragua All seemed lost when the House of Representatives overwhelmingly supported Nicaragua Bunau Varilla influenced the French Canal Company to lower the price for its canal concession and Donegan influenced President Roosevelt who previously favored Nicaragua to support the Panama site Congress had to make the final decision about the canal site Senator Morgans Committee on Interoceanic Canals supported the Nicaragua Canal Morgan and other senators argued that no can

**Global Media Perspectives on the Crisis in Panama** Professor Howard M Hensel, Professor Nelson Michaud, 2013-04-28 Operation Just Cause the United States incursion into Panama was the culmination of a gradually escalating confrontation between the United States and the Noriega dominated government of Panama that extended from June 1987 until early January 1990 Applying diverse methodological approaches this volume examines the various ways representative examples of the global media covered the developing crisis and the eventual US incursion into Panama The volume sets the stage for this analysis by delineating the chronological development of the escalating confrontation as well as by examining the confrontation from the perspective of the US government analyzes the crisis from the perspective of the US Soviet Canadian French Portuguese Arab and the People s Republic of China media exposes the challenges for public affairs officers operating within the context of the global media response to international crises and provides an assessment of the implications of the crisis for inter American and international relations This analysis and evaluation of a variety of global media perspectives on the escalating US Panamanian confrontation will serve to better illuminate and further enrich our understanding of a major international event indeed one of the final events of the Cold War era

**The Panama Canal** Elizabeth Mann, Fernando Rangel, 2006-02 Now in paperback the history of how the Panama Canal was planned and built including the political international and health aspects of getting the project finished on time

*Cognitive and Instructional Processes in History and the Social Sciences* Mario Carretero, James F. Voss, 2012-12-06 This volume is a direct result of an international conference that brought together a number of scholars from Europe and the United States to discuss their ideas and research about cognitive and instructional processes in history and the social sciences As such it fills a major gap in the study of how people learn and reason in the

context of particular subject matter domains and how instruction can be improved in order to facilitate better learning and reasoning Previous cognitive work on subject matter learning has been focused primarily upon mathematics and physics the present effort provides the first such venture examining the history and social science domains from a cognitive perspective The different sections of the book cover topics related to comprehension learning and instruction of history and the social sciences including the development of some social sciences concepts the teaching of social sciences problems and questions arising from this cognitive perspective of learning the comprehension and learning from historical texts how people and students understand historical causality and provide explanations of historical events and the deduction processes involved in reasoning about social sciences contents This volume will be useful for primary and secondary school teachers and for cognitive and instructional researchers interested in problem solving and reasoning text comprehension domain specific knowledge acquisition and concept development

**American Presidential Statecraft** Ronald E. Powaski, 2017-04-04 This book examines the presidency in twentieth century America and explores why some presidents succeed as makers of U S foreign policy while others fail sometimes tragically It explores each president s ability to apply his skills to a foreign policy issue in the face of opposition that may come from a variety of sources including the Congress the Pentagon the State Department the press and often their own in house advisers This volume in particular focuses on Theodore Roosevelt Woodrow Wilson Herbert Hoover Franklin D Roosevelt and Harry Truman

*How Wall Street Created a Nation* Ovidio Diaz-Espino, 2014-08-01 How Wall Street Created a Nation J P Morgan Teddy Roosevelt and the Panama Canal narrates the dramatic and gripping account of the beginnings of the Panama Canal led by a group of Wall Street speculators with the help of Teddy Roosevelt s government The result of four years of research the book offers the real story of how the United States obtained the rights to build the Canal through financial speculation fraud and an international conspiracy that brought down a French republic and a Colombian government created the Republic of Panama rocked the invincible President Roosevelt with corruption scandals and gave birth to U S imperialism in Latin America

Panama Odyssey William J. Jorden, 2014-03-01 The Panama Canal Treaties of 1977 were the most significant foreign policy achievement of the Carter administration Most Latin American nations had regarded the 1903 treaty and its later minor modifications as vestiges of American colonialism and obstacles to any long term stable relationship with the United States Hence at a time when conflicts were mushrooming in Central America the significance of the new Panama treaties cannot be overestimated Former Ambassador to Panama William J Jorden has provided the definitive account of the long and often contentious negotiations that produced those treaties It is a vividly written reconstruction of the complicated process that began in 1964 and ended with ratification of the new pacts in 1978 Based on his personal involvement behind the scenes in the White House 1972 1974 and in the United States Embassy in Panama 1974 1978 Jorden has produced a unique living history Access to documents and the personalities of both governments and equally important Jorden s personal recollections of participants

on both sides make this historical study an incomparable document of U S foreign relations Beyond the singular story of the treaties themselves and how diplomats negotiate in the modern world is the rare description of how the United States deals with a major foreign policy problem How does a superpower cope with a tiny nation that happens to occupy a strategically critical position And how does the U S Senate face up to its constitutionally assigned power to advise and consent Once treaties are approved does the House of Representatives help or hinder Panama Odyssey also deals with another crucial element in the shaping of policy public opinion how is it informed or led astray In sum this is a history a handbook on diplomacy a course in government and a revelation of foreign policy in action all based on a fascinating and controversial episode in the U S experience

**Moon Panama** William Friar,2013-04-02 Writer and Panama native William Friar offers unique tips for visiting this up and coming destination from lounging in the Caribbean islands of Bocas del Toro to hiking the highlands of Boquete and exploring Panama City Friar uses his local knowledge to craft unique trip strategies such as The 14 day Outdoor Adventure and Six Days for History Buffs Complete with details for navigating jungle trails finding cheap taxis and underground bars and planning a river expedition Moon Panama gives travelers the tools they need to create a more personal and memorable experience

The Panama Canal Record ,1908 **White Shoe** John Oller,2024-11-12 The fascinating true story of how a group of visionary attorneys helped make American business synonymous with Big Business and Wall Street the center of the financial world Entertaining The Wall Street Journal Fast paced history Library Journal Insightful and revealing Kirkus Captivating BookPage The legal profession once operated on a smaller scale folksy lawyers arguing for fairness and justice before a judge and jury But by the year 1900 a new type of lawyer was born one who understood business as well as the law Working hand in glove with their clients over the next two decades these New York City white shoe lawyers devised and implemented legal strategies that would drive the business world throughout the twentieth century These lawyers were architects of the monopolistic new corporations so despised by many and acted as guardians who helped the kings of industry fend off

government overreaching Yet they also quietly steered their robber baron clients away from a public be damned attitude toward more enlightened corporate behavior during a period of progressive turbulent change in America Author John Oller himself a former Wall Street lawyer gives us a richly written glimpse of turn of the century New York from the grandeur of private mansions and elegant hotels and the city s early skyscrapers and transportation systems to the depths of its deplorable tenement housing conditions Some of the biggest names of the era are featured including business titans J P Morgan and John D Rockefeller lawyer statesmen Elihu Root and Charles Evans Hughes and presidents Theodore Roosevelt William Howard Taft and Woodrow Wilson Among the colorful high powered lawyers vividly portrayed White Shoe focuses on three Paul Cravath who guided his client George Westinghouse in his war against Thomas Edison and launched a new model of law firm management the Cravath system Frank Stetson the attorney general for financier J P Morgan who fiercely defended against government lawsuits to break up Morgan s business empires and William Nelson Cromwell the lawyer who taught the robber barons how to rob and was best known for his instrumental role in creating the Panama Canal In White Shoe the story of this small but influential band of Wall Street lawyers who created Big Business is fully told for the first time

**The Story of Panama and the Canal...** Charles Harcourt Ainslie Forbes-Lindsay,1907      **The Canal Builders** Julie Greene,2009 A history of the Panama Canal told from the perspectives of its construction workers discusses Theodore Roosevelt s unpopular vision for Panama the extensive resources that went into its building and its role as a symbol of American power      *Hollywood or History?* Tim Monreal,Jesús A. Tirado,2025-06-20 Hollywood or History helps classroom teachers include more accurate Latinx stories in their classroom We believe that when used intentionally and critically media representations of Latinx communities and histories are powerful tools for high quality curriculum and instruction

## Unveiling the Magic of Words: A Report on "**The Panama Story**"

### **The Panama Story Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Panama Story has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Panama Story has opened up a world of possibilities. Downloading The Panama Story provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Panama Story has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Panama Story. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Panama Story. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Panama Story, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Panama Story has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About The Panama Story Books

1. Where can I buy The Panama Story books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Panama Story book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
