The Panther And The Lash Poems Of Our Time:

The Panther & the Lash Langston Hughes, 1967 Powerful poems dealing with the most compelling issues of this African American's time **"The" Panther and the Lash** Langston Hughes, 1987 *The Panther and the Lash* Langston Hughes, 1971 **The ^A Life of Langston Hughes** Arnold Rampersad, 2002-01-10 February 1 2002 marks the 100th birthday of Langston Hughes To commemorate the centennial of his birth Arnold Rampersad has contributed new Afterwords to both volumes of his highly praised biography of this most extraordinary and prolific American writer The second volume in this masterful biography finds Hughes rooting himself in Harlem receiving stimulation from his rich cultural surroundings Here he rethought his view of art and radicalism and cultivated relationships with younger more militant writers such as Richard Wright Ralph Ellison James Baldwin and Amiri Baraka Rampersad's Afterword to volume two looks further into his influence and how it expanded beyond the literary as a result of his love of jazz and blues his opera and musical theater collaborations and his participation in radio and television In addition Rampersad explores the controversial matter of Hughes's sexuality and the possibility that despite a lack of clear evidence Hughes was homosexual Exhaustively researched in archival collections throughout the country especially in the Langston Hughes papers at Yale University's Beinecke Library and featuring fifty illustrations per volume this anniversary edition will offer a new generation of readers entrance to the life and mind of one of the twentieth century's greatest artists American Poetry in Performance Tyler Hoffman, 2013-05-29 American Performance Poetry is the first book to trace a comprehensive history of performance poetry in America from Whitman through the rap meets poetry scene and to show how the performance of poetry is bound up with the performance of identity and nationality in the modern period This book will be a meaningful contribution both to the field of American poetry studies and to the fields of cultural and performance studies as it focuses on poetry that refuses the status of fixed aesthetic object and in its variability performs versions of race class gender and sexuality both on and off the page Relating the performance of poetry to shifting political and cultural ideologies in the United States Hoffman argues that the vocal aspect of public poetry possesses or has been imagined to possess the ability to help construct both national and subaltern communities In doing so American Performance Poetry explores public poets' confrontations with emergent sound recording and communications technologies as those confrontations shape their mythologies of the spoken word and their corresponding notions about America and Americanness **Montage of a Dream** John Edgar Tidwell, Cheryl R. Ragar, 2007 Over a forty six year career Langston Hughes experimented with black folk expressive culture creating an enduring body of extraordinary imaginative and critical writing Riding the crest of African American creative energy from the Harlem Renaissance to the onset of Black Power he commanded an artistic prowess that survives in the legacy he bequeathed to a younger generation of writers including award winners Alice Walker Paule Marshall and Amiri Baraka *Montage of a Dream* extends and deepens previous scholarship multiplying the ways in which Hughes's diverse body of writing can be explored

The contributors including such distinguished scholars as Steven Tracy Trudier Harris Juda Bennett Lorenzo Thomas and Christopher C De Santis carefully reexamine the significance of his work and life for their continuing relevance to American African American and diasporic literatures and cultures Probing anew among Hughes s fiction biographies poetry drama essays and other writings the contributors assert fresh perspectives on the often overlooked Luani of the Jungles and Black Magic and offer insightful rereadings of such familiar pieces as Cora Unashamed Slave on the Block and Not without Laughter In addition to analyzing specific works the contributors astutely consider subjects either lightly explored by or unavailable to earlier scholars including dance queer studies black masculinity and children s literature Some investigate Hughes s use of religious themes and his passion for the blues as the fabric of black art and life others ponder more vexing questions such as Hughes s sexuality and his relationship with his mother as revealed in the letters she sent him in the last decade of her life Montage of a Dream richly captures the power of one man s art to imagine an America holding fast to its ideals while forging unity out of its cultural diversity By showing that Langston Hughes continues to speak to the fundamentals of human nature this comprehensive reconsideration invites a renewed appreciation of Hughes s work and encourages new readers to discover his enduring relevance as they seek to understand the world in which we all live The Panther and Lash; Poems of Our Times. B Langston Hughes,1969 Powerful poems dealing with the most compelling issues of the author s time **Langston Hughes & the Blues** Steven Carl Tracy,2001 Drawing on a deep understanding of the shades and structures of the blues Steven C Tracy elucidates the vital relationship between this musical form and the art of Langston Hughes preeminent poet of the Harlem Renaissance Tracy provides a cultural context for the poet s work and shows how Hughes mined African American oral and literary traditions to create his blues inspired poetry Through a detailed comparison of Hughes s poems to blues texts Tracy demonstrates how the poetics structures rhythms and musical techniques of the blues are reflected in Hughes s experimental forms The volume also includes a discography of recordings by the blues artists Bessie Smith Ma Rainey Blind Lemon Jefferson and others who most influenced Hughes updated in a new introduction by the author **To Float in the Space Between** Terrance Hayes,2023-03-07 Hayes leaves resonance cleaving the air NPR In these works based on his Bagley Wright lectures on the poet Etheridge Knight Terrance Hayes offers not quite a biography but a compilation as speculative motley and adrift as Knight himself Personal yet investigative poetic yet scholarly this multi genre collection of writings and drawings enacts one poet s search for another and in doing so constellates a powerful vision of black literature and art in America The future Etheridge Knight biographer will simultaneously write an autobiography Fathers who go missing and fathers who are distant will become the bones of the stories There will be a fable about a giant who grew too tall to be kissed by his father My father must have kissed me when I was boy I can t really say By the time I was eleven or even ten years old I was as tall as him I was six inches taller than him by the time I was fifteen My biography about Knight would be about intimacy heartache Terrance Hayes is the author of How to Be Drawn which received a 2016
