The Papers Of Ulysses S Grant July 1 1868 October 31 1869:

The Papers of Ulysses S. Grant: July 1, 1868-October 31, 1869 Ulysses Simpson Grant, Ulysses S. Grant Association, 1967 This volume carries Ulysses S Grant through a brief period of welcome calm to the storms of the White House. Seemingly resigned to becoming president, Grant detached himself from military routine in Washington D C during the summer of 1868 to tour the Great Plains. He then settled in Galena to escape the clamor of the presidential campaign. Grant reveled in his respite from official duties, writing to his father, "I have enjoyed my summer's vacation very much and look forward with dread to my return to Washington." Grant's residence in Galena shielded him from public scrutiny. Whilst I remain here, I shall avoid all engagements to go any place at any stated time. The turn out of people is immense when they hear of my coming. Grant remained in or near his prewar hometown until the election forced him back to Washington. Grant publicly said that he accepted presidential responsibilities without fear but privately lacked eagerness for the office. Even before his electoral victory, he wrote disapprovingly of the Army of office seekers and begging letters from potential appointees. Never enamored with the pulling and hauling so much a part of politics, Grant tried to minimize importunities by withholding names of his cabinet selections until after his inauguration and keeping his policy pronouncements spare and noncontroversial. His earnest desire as president was simply to inspire every citizen to work for a happy Union. The Papers of Ulysses S. Grant [v.9] Ulysses S. Grant, 1982 The Papers of Ulysses S. Grant: November 1, 1869-October 31, 1870 Ulysses Simpson Grant, Ulysses S. Grant Association, 1967 Volume 20 is the first in this acclaimed series to cover the months when Ulysses S Grant held no military commission. As president, however, Grant's significance grew rather than diminished. His leadership and decisions touched directly or indirectly most people in the United States and many more around the globe. Grant spoke sincerely when he said that "I have done all I could to advance the best interests of the citizens of our country without regard to color and I shall endeavor to do in the future what I have done in the past." He urged adoption of the Fifteenth Amendment and rejoiced in its ratification, expressing his belief that it was the realization of the Declaration of Independence. Grant acknowledged that government had treated Indians badly in the past. In the short run, he recommitted his administration to the experiment of employing Quakers and humanitarians as Indian advisers and agents, trusting in eventual great success. In the long run, however, Grant thought placing Indians on large reservations and encouraging them to take their lands in severalty and to set up territorial governments for their own protection the best course. In foreign affairs, Grant became fixed on the annexation of Santo Domingo, gave this issue an inordinate degree of attention, and squandered political capital in confrontations with Congress. Senate foreign affairs committee chairman Charles Sumner emerged as the villain preventing Grant from achieving his desire, and Grant displayed his animosity toward the Massachusetts senator in private as well as in the very public removal of Sumner's friend John L. Motley as minister to England. Developments such as growing tensions among European powers, Spanish-Cuban relations, and the Alabama Claims

negotiations received relatively little attention Grant in fact admitted shortly after the outbreak of the Franco Prussian War I had no idea that such an event was even threatening *The Papers of Ulysses S.
