Heart of a Cuban NJ Perez, 2021-06-30 Aligning historical events with family history *Heart of a Cuban* Refugee to American Hero exposes the account of Cubans who refused to be pushed like pawns by evil government leaders and one boy's refusal to give up on the dream his great grandparents had for a free Cuba Amid the backdrop of an idyllic childhood spent on his family's farming estates in the tropical hills of Cuba's agricultural region it is an incredible true journey of one family's escape from Fidel Castro Andr's was an innocent boy excelling in school and honoring his culture's heritage until the murderous leader came into power eager to spew his icy talons across the vulnerable country Born of two families of heroes who had overthrown Spanish colonial rule half a century before Andr's was taught how sacrifice was necessary in order to obtain a greater good When his devout religious foundation seems inadequate at preparing the youngster for dealing with Castro's extreme cruelty Andr's is forced to adapt and to learn the lessons gleaned from studying his ancestors and the heroes in Cuba's history After his grandfather's lifeless body crumples before him riddled with bullet holes from Castro's guerrillas it soon becomes apparent to his family that both his father and he might be next to fall Escaping could mean immediate death if discovered by Cuba's newly minted Communist soldiers while treachery in the form of dehydration shark attacks and storms waited if they left With the Vietnam War raging in another far off land due to Communist persuasions

what would lie ahead for Andr s if they did make it to America Heart of a Cuban Refugee to American Hero becomes much more than just a story as the author must answer urgent questions about humanity if Andr s is to find the path necessary to assure his own and his family s survival When the extreme brutality of a world exerts its will on people and invades their peace nothing more is left for one to do but to gather all their courage in the face of fear and look it straight in the eye It is the decisions Andr s makes that will make all the difference not only to himself but to all those near and dear to him in family neighborhood and among his friends for all time
