**The Passing of the Great Queen** Marie Corelli, The passing of the great Queen: A tribute to the noble life of Victoria Regina Marie Corelli, 2023-07-10 In *The Passing of the Great Queen* A Tribute to the Noble Life of Victoria Regina Marie Corelli offers a poignant and heartfelt reflection on the life and reign of Queen Victoria who was a symbol of an era marked by profound change. Written in Corelli's signature lyrical style, the text intertwines personal anecdotes, historical context, and spiritual insights, capturing the emotional landscape of a nation in mourning. As a contemporary of Victoria, Corelli's work reflects literary influences of the late Victorian age, blending sentimentalism with a deep reverence for the past, indicative of Corelli's own penchant for romanticizing her subjects. Marie Corelli, a prolific author and a notable figure in Victorian literature, was known for her unconventional views on society, spirituality, and the role of women. Her admiration for Queen Victoria is evident throughout the text, as Corelli saw the Queen as a paragon of virtue and resilience during a time of upheaval. Corelli's own life experiences, from her struggles with acceptance in literary circles to her passionate advocacy for social causes, infuse her tribute with a unique blend of personal sentiment and national pride. This book is a compelling read for anyone interested in Victorian history, royal legacy, or Corelli's distinct literary voice. It serves as both a historical document and a moving homage, making it a vital addition to the library of those who appreciate the intricacies of human experience against the backdrop of societal evolution. *The passing of the great queen, a tribute to Victoria regina* Marie Corelli, 1901

Corelli, 1901 *The Passing of Victoria* Sir John Alexander Hammerton, 1901 The Englishwoman's Review of Social and Industrial Questions Janet Murray, Myra Stark, 2016-12-19 The *Englishwoman's Review*, which published from 1866 to 1910, participated in and recorded a great change in the range of possibilities open to women. The ideal of the magazine was the idea of the emerging emancipated middle-class woman: economic independence from men, choice of occupation, participation in the male enterprises of commerce and government, access to higher education, admittance to the male professions, particularly medicine, and of course the power of suffrage equal to that of men. With an informative introduction by Janet Horowitz Murray and Myra Stark and an index compiled by Anna Clark, this set is an invaluable resource to those studying nineteenth and early twentieth-century feminism and the women's movement in Britain.
