The passionate heart [verse], dame Mary Jean Gilmore,1918 *A Passionate Heart* Janice King,2005-03 *Growing a Passionate Heart* Wendy Mahill,2007-04 *Growing a Passionate Heart* is a Christ centered curriculum for women wounded by childhood sexual abuse Mahill provides victims with clear definitions for their experiences helping them firmly establish responsibility where it rightfully belongs The text also helps survivors replace faulty beliefs with biblical truth Christian

Passionate Hearts Wendy Maltz,2006-12-08 Culled from classic works of poetry literary and erotica journals and unpublished poetry *Passionate Hearts* celebrates the joys of sexual expression New World Library An essential addition to any sexuality library Patricia Love **Socrates in Love: Philosophy for a Passionate Heart** Christopher

Phillips,2011-01-17 Phillips takes philosophy out of the ivory tower and into the street Los Angeles Times Christopher Phillips goes to the heart of philosophy and Socratic discourse to discover what we re all looking for the kind of love that makes life worthwhile That is love not defined only as eros or erotic love but in all its classical varieties Love of neighbor love of country love of God love of life and love of wisdom each is clarified and invigorated in Phillips s Socratic dialogues with people from all walks of life and from all over the world **The Practical Steps to the Deeper Spiritual Life** Larry

Mehaffey,2012-01-19 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a man s life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God *The Poet's Mind* Gregory Tate,2012-11-08 *The Poet s Mind* is a comprehensive study of the ways in which Victorian poets thought and

wrote about the human mind It argues that these poets used their writing both to express psychological processes of thought and feeling and to subject those processes to scrutiny and analysis *After God's Own Heart* Mike Bickle,2013-07-15 Imagine what David felt like to be singled out and given an almost unfathomable spiritual identity to seen by God as a man after His own heart David s secret is that he was energized by intimacy with God as a student of God s emotions He encountered the power of God s emotions It transformed his emotions for God You can also become a student of God s emotions and experience being energized by the Holy Spirit to a life of deep obedience and mature love Invest time in understanding the emotions found in God s heart for you and your own heart will experience a glorious awakening
