ways to increase religious allegiance as the century progressed The apparent apathy and lack of interest in formal religion on the part of the working classes was particularly galling and the various denominations tried hard to attract them through evangelical missions as well as social and charitable ventures which sometimes competed with religious concerns to the latter s detriment This book traces the motivations concerns and efforts of the churches particularly in the period between 1870 and 1920 and the ambivalent responses of ordinary people The Education Act of 1870 led to the churches losing their hold on the education of the young a consequence foreseen by many church leaders but unable to be prevented By 1920 it was apparent that the churches optimism regarding an increased role with a war weary population would not be fulfilled The focus is on the city of Leeds representative of the industrialised urban areas with burgeoning populations which proved to be such a challenge to the churches at the same time stimulating them to ever greater efforts **God's Marshall Plan** James D. Strasburg, 2021-04-07 God s Marshall Plan tells the story of the American Protestants who sought to transform Germany into a new democratic and Christian nation at the heart of twentieth century Europe James D Strasburg follows the American pastors preachers diplomats and spies who crossed the Atlantic in an attempt to make Germany into the European cornerstone of America s global spiritual empire and instead remade American Protestantism itself **The Cleveland Directory Co.'s Cleveland (Cuyahoga County, Ohio) City Directory** ,1898 **The Statutes at Large: 11-13 Geo** Great Britain, 1774 **Conditions in the Coal Fields of Pennsylvania, West Virginia, and Ohio** United States.
