Sylvanus Stall, 2025-08-08 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage , *Woe Unto The Pastors* Betty Joyce Glover, 2009-12-11 Wake up Church We have been deceived Prosperity is not working It s only in the pockets of the Pastors When we give the tithe our bills are still due and our mortgage has foreclosed First fruit must mean something else Because it s not working for me I haven t received 100% 40% or 60% Church wake up It s time for us to make those who wrong God s people accountable for their deeds I have heard so many preachers say as it is in the natural so it is in the spirit So the fraud that was caused by Wall Street Banks Mortgage companies Madoff and the others that have been unveiled the same deception will be unveiled in the church for all to see woe unto the pastors Until we repent and get back to the Bible and read it Woe unto us Because many of us don t read the bible for ourselves we just accept what our pastors tell us as the true and living word of God but even our pastors have their own agenda Ministry in this country has become a multi million dollar industry anyone with a little knowledge of the bible a booming voice and stage presence can and will deceive you Betty Joyce Glover using her maiden name was born and raised in the South in the state of Alabama where she still resides She is the mother of two daughters and four grandchildren Trey Jaron Logan and Lauryn The person who has inspired her the most is her mother Mrs Willie H Williams Who is the mother of eight children seven living and Sandra the first child died at the age of 33 same age as our Lord and Savior Jesus Christ WHEN HE DIED **The Crisis in the Churches** Robert Wuthnow, 1997 At a time when already overworked clergy are being called upon by budget cutting politicians to do more for the poor the sick and the elderly American churches are suffering persistent financial shortfalls Why are American s churches in financial distress Robert Wuthnow a leading commentator on religious life in America asserts that the steady drop in donations volunteering and personal involvement is a direct result of a spiritual crisis a crisis caused in large part by the clergy s failure to address the vital relationships between faith and money work stewardship giving and economic justice In *The Crisis in the Churches* Wuthnow offers a searching study of this financial crisis and of the spiritual malaise that has silently grown worse during the past decade To do this he lets the churches speak for themselves quoting extensively from interviews with clergy and laity in sixty Protestant and Catholic congregations throughout the U S and drawing from the texts of over 200 sermons from church financial records and a national survey What emerges is that parishioners often feel the church does not care about what they do from Monday to Friday offers no guidance in their most pressing day to day concerns yet always seems to be asking for more money Although the situation is critical Wuthnow finds much cause for hope He points to ideas and programs that

some churches have enacted to challenge their members to think differently about work and money and giving Parishioners sometimes respond positively when clergy speak boldly and concretely about matters of faith and finance and some churches have formed small groups whose members meet regularly to discuss issues of spirituality work personal finances and stewardship
