## **The Path To The Throne:**

**The Path to the Throne of God** Sarah Elizabeth Peck,2001 This study of the sanctuary aims to give the reader an overall view of the entire sanctuary including the earthly and the heavenly sanctuaries and reaching its climax in the temple eternal the earthly model as constructed by Moses being a type or illustration of both the others It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ but also the Christian experience of each of His followers and of the church as a whole

**The Ministry, Vol. 06, No. 06** Various Authors,2002-06-01 In this issue of The Ministry we include the final eight messages of The Visions of Ezekiel concerning God s Economy given during the 2001 fall term of the Full time Training in Anaheim The book of Ezekiel is composed of four main sections The first section concerns the vision of the appearance of the Lord s glory The next section concerns God s judgment both on His disobedient and wayward people and on the nations The third section concerns the Lord s recovery by life The first message of this volume deals with the vision of the throne above the clear sky The highest point in our Christian experience and in our living as Christians in the church life is not simply to have a crystal clear sky We need to reach the highest point where we see the man on the throne and realize that God s goal is to have many men on the throne with Christ as the God man The last message of this series focuses on the last section of Ezekiel on the vision of the holy building of God Next to God Himself this is perhaps the greatest matter in the Bible because it involves the totality of God s work in His economy through the ages to produce an expression of Himself Last of all we include a report of the first International Blending Conference in Accra Ghana held in March 2002

**The Blue-Flamed Angel** Tyler James,2025-01-02 St

Michael the Archangel is a humble being who was not initially a warrior angel nor was he granted the title of saint or even the general of the celestial armies His beginnings were as a newly created angel placed in the choir of archangels Like us humans he also had doubts about what his full potential could become although he was content as an archangel Eons passed since the creation of time itself and Michael was selected to become a warrior angel in the celestial army commanded by General Azrael at the time He passed a rigorous and incomprehensible set of trials to earn the title of warrior in God s celestial army Shortly after according to celestial time war in heaven broke out led by Lucifer who was formerly known as Samael At a critical moment his general did not have the faith needed to repel the legions trying to invade God s throne and kingdom God bestowed an unfathomable blessing upon Michael who was transformed into the Blue Flamed Angel and promoted to the choir of Seraphim With Michael s new abilities and responsibilities he defeated the dragon and his legions banishing them from the heavens However the battle was just beginning when Man was created posing new curiosities among the celestials and threats from the demonic enemy legions The Son of God Jesus had now taken over the responsibilities of his Father when the unthinkable happened God s newest creation Man had fallen into sin and thus the heavens were lifted from the earth as punishment This began the divine plan for the salvation of mankind Shortly after Michael and a few of his fellow angels Gabriel and Raphael were granted the authority to interact with mankind directly donning the title of saint After Mary was assumed into heaven she blessed St Michael with the duties and responsibilities that come with sainthood making him the patron of law enforcement and all those who are righteous for the Lord willing to sacrifice themselves for the good of their neighbors The full power of the new general of the celestial armies was cemented and the ultimate battle between good evil and the souls of mankind rages onward to this very day until the end of the earth
