The Peaceful Storm:

The Peaceful Storm Charles Franklin Robertson, Cliff Dudley, 1985 **The Peace of God** Jim Rannells, 2020-01-10 I try to get to the heart of Peace after I first define what it is and what it can add to our lives Our worries our fears even our anxieties in this very complex world we live in all threaten that Peace which can be summed as a total trust in God The Peace of God can be looked at as a preparedness in the sense that we are warned of these last days we are in that wars and rumors of wars can cause us to be troubled in Matt 24 6 Fears regrets and worry can all equate to these troubling conditions that Christ warns us about We must give God in Christ the priority in our lives and not think of Him only on Sundays And most certainly we must spend time each day in prayer and reading His Word if we are to call ourselves a Believer [The Jesus Galleries](#) authors book publishing, 2024-12-16 The Jesus Galleries The Christian Journey Reimagined allows readers to walk through a series of artistic portraits to understand the nature of Jesus Each chapter puts the reader into a gallery looking at a different feature of Christ s love sacrifice and mission From His designation as the Lover of the Brethren to His mission as the Liberator of the oppressed the book contemplates how these characteristics ought to influence the Christian life This journey is not just intellectual but profoundly personal fostering self reflection and development in Christlikeness L Michael Lerman combines biblical teaching contemplative insight and experiences of introspection into an environment in which the reader is invited to reflect upon their living in alignment with Jesus *The Silent Soul* Brad Flinders, 2020-10-28 The Silent Soul presents a unique way of looking into a very different realm than the one we typically inhabit It describes a pathway into the hidden realm of non form that exists within each of us our vast inner universe and does so in a way that is easily accessible It describes in a straightforward manner how to gain access to the elusive Stillness within and how we can find the Divine in the process It unpacks how we find this magical path of discovery and how it can change our lives in a very tangible way resulting in the soul s impending transformation from caterpillar into butterfly [Anatomy of a Hurricane](#) Terri Dougherty, 2011 Hurricanes **A Father's Love** James M. K. Hodge,2023-02-03 During the peak of the COVID 19 pandemic there seemed to be turmoil and chaos everywhere I looked We were surrounded by illness death loss of jobs business closures political debacles and just for fun a couple of hurricanes and tornadoes Life was quite chaotic I began writing words of encouragement for myself and soon began sharing them on my blog page Each morning I would settle in at my huge kitchen table or out on my back deck and I prayed Give me a word Lord Every day God gave me a topical word and from that a devotional flowed from my keyboard The words were truly God inspired My sister and my husband challenged me to continue writing for 365 days and I accepted the challenge I thought I would run out of words but oh no not this wordy girl God designed this old girl and He gave me the gift of gab Through daily

The Prodigal That Didn't Come Home Christopher A Bell Sr, 2017-03-01 When your expectations are disappointed and life doesn't turn out like you thought it would you can become disappointed and disillusioned As aircraft pilots depend upon their navigational control systems to guide them through turbulence when things aren't visibly clear So it is with life in general when it becomes uncertain due to the loss of a loved one we need a navigational system to guide us Faith serves as a dependable system to get us through those times when we don't understand which way to go
