This volume draws on scholars from a variety of theological disciplines scripture history systematic theology The essays are designed to encourage readers to become more critically reflective as they engage with biblical texts and contemporary concerns **Pearls of Wisdom II** Stephen Haines,2006 **Pearls of Wisdom** Pastor Vera J. Ferguson,2005-10-21 Pearls of Wisdom The book Pearls of Wisdom came about because of the dream I had of starting a Bible Study in the little country church my husband Dennis and I pastor in Nebraska Indiana Each week I would come up with the pearl and ask the Holy Spirit what He wanted me to tell the people I wanted something that they could reflect on for the entire week My sole intention was to keep them uplifted and edified I wanted to gently guide and direct them the way

they should go The book is to be a practical application to lifes battles and challenges It was to encourage them and make them understand they were not alone but God was there all the way with them And though they may have fallen into sin and temptation if they repented then His love was unconditional I wanted them to know they were not the only ones going through the challenges life brought about but how they handled those difficulties made the world of difference The book is a collection of what I shared with our Bible Study Now instead of just sharing with a handful of people I desire to touch the lives of all those who will receive them Read and reread them and let them make a world of difference in your life Open your spirit up to what the Holy Spirit has to say to you God Bless You Vera
