The Pecos Ranchers In The Lincoln County War:

The Pecos Ranchers in the Lincoln County War T. Dudley Cramer, 1996 **John Simpson Chisum** Clifford R. Caldwell, 2010 John Simpson Chisum left a trail across the American West so wide that a blind scout could follow it His life story seems to have been defined by his association with Billy the Kid and a singular epic cattle drive across the barren expanses of West Texas to New Mexico *In the Shadow of Billy the Kid* Kathleen P. Chamberlain, 2013-02-15 Chamberlain argues that the focus on Billy the Kid has discouraged broader interpretations of the Lincoln County War she provides a woman s perspective of the historic event and places Susan McSween s life and legacy into the larger context of New Mexico history and of women s experiences in the late nineteenth and early twentieth century Southwest Provided by publisher

The Cowboy Encyclopedia Richard W. Slatta, 1996 Over 450 entries provide information on cowboy history culture and myth of both North and South America Thunder in the West Richard W. Etulain, 2020-07-09 Even before he was shot and killed in 1881 Billy the Kid s charisma and murderous career were generating stories that belied his brief life and that only multiplied growing to legendary proportions after his death at age twenty one In *Thunder in the West* Richard W Etulain takes the true measure of Billy the man and the legend and presents the clearest picture yet of his life and his ever shifting place and presence in the cultural landscape of the Old West Billy the Kid born Henry McCarty in 1859 and also known as William H Bonney emerges from these pages in all his complexity at once a gentleman and gregarious companion and a thief and violent murderer Tapping new depths of research Etulain traces Billy s short life from his mysterious origins in the East through his wanderings in New Mexico Arizona and Texas As we move from his peripatetic early years through the wild West to his fatal involvement in the Lincoln County Wars we see the impressionable boy give way to the conflicted young man and finally to the opportunistic and often amoral outlaw who was out for himself for revenge and for whatever he could steal along the way Against this deftly drawn portrait Etulain considers the stories and myths spawned by Billy s life and death Beginning with the dime novels featuring Billy the Kid even during his lifetime and ranging across the myriad newspaper accounts novels and movies that alternately celebrated his outlaw life and condemned his exploits Etulain offers a uniquely informed view of the changing interpretations that have shaped and reshaped the reputation of this enduring icon of the Old West In his portrayal Billy the Kid lives on not as a cut throat desperado or a young charmer but as both hero and villain myth and man fully realized in this twenty first century interpretation **Ditches Across the Desert** Steve Bogener, 2003 Today the once formidable Pecos River dammed in many places for irrigation its springs pumped dry in others has become a mere shadow of its former self Although it now leads a precarious existence the contest over its water within New Mexico and between New Mexico and Texas through the Pecos River Compact continues Jacket **Deadly Dozen** Robert K. DeArment, 2014-10-30 Wyatt Earp Billy the Kid Doc Holliday such are the legendary names that spring to mind when we think of the western gunfighter But in the American West of the late nineteenth and early twentieth centuries thousands of

grassroots gunfighters straddled both sides of the law without hesitation *Deadly Dozen* tells the story of twelve infamous gunfighters feared in their own times but almost forgotten today Now noted historian Robert K DeArment has compiled the stories of these obscure men DeArment a life long student of law and lawlessness in the West has combed court records frontier newspapers and other references to craft twelve complete biographical portraits The combined stories of *Deadly Dozen* offer an intensive look into the lives of imposing figures who in their own ways shaped the legendary Old West More than a collective biography of dangerous gunfighters *Deadly Dozen* also functions as a social history of the gunfighter culture of the post Civil War frontier West As Walter Noble Burns did for Billy the Kid in 1926 and Stuart N Lake for Wyatt Earp in 1931 DeArment himself a talented writer brings these figures from the Old West to life John Bull Pat Desmond Mart Duggan Milt Yarberry Dan Tucker George Goodell Bill Standifer Charley Perry Barney Riggs Dan Bogan Dave Kemp and Jeff Kidder are the twelve dangerous men that Robert K DeArment studies in *Deadly Dozen Twelve Forgotten Gunfighters of the Old West*

The Tragic Days of Billy the Kid Frazier Hunt,2009 Since a July night in 1881 when he was shot down at the age of 21 Billy the Kid has been a victim of the myths that surrounded and captured him This vivid interpretation of the Kid s life and character will come as an exciting revelation to readers who may have been familiar only with the earlier fictionalized versions For here is real moving tragedy painted in broad brush strokes with the vivid hues of the stark American Southwestern landscape Never before has there been brought into true focus the Lincoln County War which broke out in 1878 in the then Territory of New Mexico and which furnished the background and the period for the adventures of this extraordinary boy The literature concerning both the desperate cattle war and the singular young outlaw have necessarily been constructed around a thin framework of fact with its papier mach fa ade of myth and legend So persistent have been these legends that the true character of the Kid seemed almost beyond reach Indeed the Western poet Arthur Chapman once wrote that Billy the Kid must remain wholly the most unaccountable figure in frontier history Frazier Hunt 1885 1968 had the good fortune to have access to a great mass of fresh and unpublished source material which fully documents this thrilling history of the Kid and his times It is a new and rather appealing boy who now comes to light an alert likeable yet tough youngster adored by the native Mexicans no less for his fluency in Spanish than for his kindness and consideration but no wanton killer In place of the former distorted figure of legend a young man of flesh and blood and heart emerges into clear perspective So at last we have the real Billy the Kid
