The Peevercom Blinded By The Right:

The Art of the Peeve Bruce H. Weik, 2016-06-25 The Art of the Peeve has been in the making for twenty years For sixteen of those years they appeared as a column in The Zephyr a paper located in Galesburg Illinois The last four years they have appeared in the blog site thepeever.com These are the best of the thousands that were written The book lists the peevs as they appeared each year over that twenty year span In addition each year starts off with a creative nonfiction story that is primarily memoir personal meditative or lyrical The peevs cover a lot of territory They are provocative stimulating and full of spiritual psychological and political commentary using satire humor and often laced with a good bit of baloney They are designed to encourage discussion and challenge the belief system most of us inherit from our parents They are not meant to demean any person although at times the author skirts right on the edge of making fun of a particular person Sorry but the whole purpose is to peeve you A lot of the peevs express feelings about things that many people have a hard time talking about The author has no such problems Straightforward unapologetic and with no remorse the peevs drive home the other side of most stories This is not a book for those favoring the status quo or for the faint of heart [The Peever.Com](http://ThePeever.Com) Bruce H.
