**Invented Knowledge** Ronald H. Fritze, 2009-05-15 This incredible exploration of the murky world of pseudo history reveals the mix of proven facts informed speculation and pure fiction behind lost continents ancient super civilizations and conspiratorial cover ups as well as the revisionist historical foundations of religions such as the Nation of Islam and the Church of Jesus Christ of Latter day Saints Drawing on the best scholarship available Ronald H Fritze shows that in spite of strong mainstream historical evidence to the contrary many of these ideas have proved durable and gained widespread acceptance As the examples in Invented Knowledge reveal pseudo historians capitalize on and exploit anomalies in evidence to support their claims rather than examining the preponderance of research as a whole *Angels in Atlantis* A.D. Murphy, 2016-02-22 After the sudden death of Abigail Lazarus s parents Abigail and her two brothers Chase and Kallan Lazarus head off to Waterford Ireland to live with their favorite aunt and uncle While traveling by ship through the Bermuda Triangle strange things start to occur Abigail and her brothers are suddenly pulled through a realm that leads to Atlantis the city that had been known to them as lost With guides appearing by their sides to help them through the realm safely Abigail s guide Michael holds all the answers to her unknown yet crucial role for the future of all mankind Once in Atlantis demons start to find their way through loopholes of the realm to Atlantis Their mission is for one purpose only To destroy Abigail Though Abigail realizes soon enough that Michael was sent to protect her from these demonic forces she did not realize how quickly she would fall in love with him Through Michael s guidance and unhidden love for Abigail she finally learns all the secrets of the city and understands why her role is so important in the existence of all mankind starting with the prophesized first battle of the Lost City of Atlantis **The National Union Catalogs, 1963- , 1964** Weird Science and Bizarre Beliefs Gregory L.
