The Pelican Guide To Virginia Pelican Guide Series:

The Pelican Guide to Virginia ,1990 **The Pelican Guide to Virginia** Shirley Morris,1990 Describes historical attractions and other points of interest in Virginia and includes an annual calendar of events **Mapping the Modern Mind: Virginia Woolf's Parodic Approach to the Art of Fiction in "Jacob's Room"** Lindy van Rooyen,2012-05 In this study the author conducts a close reading of Virginia Woolf's first experimental novel Jacob's Room 1922 Her reading is based on the fundamental premise that the novel is an exploration of fictional form rather than an exposition of any preconceived idea Jacob's Room is an essentially modernist text and is characterised by extensive genre mixing typical of the art of fiction in the early 20th century Throughout her study the author analyses the extent to which the novel transgresses the boundaries of the novelistic genre She explores the generic interface between the novel and those genres which are deemed to be innate to Virginia Woolf's sensibility i.e. the journalistic essay biography and impressionist painting The premise of this study leads the author to read the novel on two levels of significance On the narrative surface level of the novel Woolf constructs the tragic life of a promising young Englishman Jacob Flanders who dies in the First World War Simultaneously on the metafictional level of significance Woolf through her garrulous narrator mocks and evaluates the actions of her characters experimenting with various points of view in an attempt to define the character of her protagonist Jacob's room is thus conceived as a mental space in which a modern writer's mind is mapped The central aesthetic question which is debated in this room or forum relates to the essential art of modern fiction in general and the efficiency of characterisation in fiction in particular It is argued that Virginia Woolf probes into the epistemic question of the essence of modern man and in an attempt to capture the essence of her protagonist speculates on the corresponding literary question how and to what extent the soul of man can be represented in fiction The author uses this generic approach to the novel as a broad structuring principle for her study of Jacob's Room After discussing the socio political context of modernism in the early 20th century including the impact of the First World War on modernist writing she focuses her study on those aspects of Woolf's fiction which are deemed fundamental to the narrative strategy in Jacob's Room i.e. the role and nature of Woolf's humour within the context of modernism the nodes or clusters of metaphors and symbols recurring in the text the role of the narrator as toastmaster of the debate on character and fiction in Jacob's Room the extent to which the novel parodies the new biography of the early twentieth century and the extent to which Woolf transvaluates the tools of impressionist painting into modernist fiction **Exploring the Frontiers of Fiction: Humour, Modernism and Narrative Form in Virginia Woolf's "Jacob's Room" (1922)** Lindy van Rooyen,2012-02-15 Inhaltsangabe Introduction Virginia Woolf is not a popular writer Despite a fierce pride in her work it was never her ambition to be one Most people have heard of her work vaguely associating it with the second wave of the women's liberation movement in the 1970s and the type of fiction that is commonly called difficult and few people unfamiliar with her work would associate her reputation with humour These are some of the first impressions

of a writer who is now hailed by scholars of English literature as one of the icons of modernism To speak of first impressions of Virginia Woolf's work is not as fatuous as it may seem After all Woolf's fiction was initially founded on impressions and I hope to show that one of the distinctive characteristics of her oeuvre compared to other modernists like T S Eliot W B Yeats or James Joyce is the intensely visual nature of her art Furthermore she is often associated with a movement of modern painting in the early twentieth century known as Post Impressionism including painters like C zanne Picasso and Georges Braque Finally laughter in all its registers whether merry cruel or parodic runs like a golden thread throughout the texture of her essays short stories and novels as satire does more generally throughout modernism I have chosen Virginia Woolf's third novel *Jacob's Room* 1922 as the focus of my study of Woolf's modernism It is not her best known novel as most critical acclaim is reserved for *Mrs Dalloway* 1925 or *To the Lighthouse* 1927 She started writing fiction in 1915 just as the First World War started and for four reasons I believe that *Jacob's Room* is the perfect starting point from which to survey Woolf's particular contribution to the Modernist Movement Firstly the social catastrophe associated with the First World War is widely considered to be the decisive historic event in the collective consciousness of early twentieth century Europe its effects reverberating throughout the literary and visual arts in the 1920s Secondly *Jacob's Room* was published in a year which falls nicely within the boundaries of the period of High Modernism which culminated in the decades between 1910 and 1930 Indeed the year of 1922 marks the publication of two other seminal modernist works T S Eliot's *Waste Land* and James Joyce's *Ulysses* Thirdly *Jacob's Room* is commonly regarded as Virginia Woolf's first experimental novel in which she in her own phrase

[A Field Guide to American Houses \(Revised\)](#) Virginia Savage McAlester, 2015-11-10 The fully expanded updated and freshly designed second edition of the most comprehensive and widely acclaimed guide to domestic architecture in print since its original publication in 1984 and acknowledged everywhere as the unmatched essential guide to American houses This revised edition includes a section on neighborhoods expanded and completely new categories of house styles with photos and descriptions of each an appendix on Approaches to Construction in the 20th and 21st Centuries an expanded bibliography and 600 new photographs and line drawings

Touring the Antebellum South with an English Opera Company Michael Burden, 2020-10-21 The diary of Anton Reiff Jr c 1830 1916 is one of only a handful of primary sources to offer a firsthand account of antebellum riverboat travel in the American South The Pyne and Harrison Opera Troupe a company run by English sisters Susan and Louisa Pyne and their business partner tenor William Harrison hired Reiff then freelancing in New York to serve as musical director and conductor for the company's American itinerary The grueling tour began in November 1855 in Boston and then proceeded to New York Philadelphia Baltimore Pittsburgh and Cincinnati where after a three week

engagement the company boarded a paddle steamer bound for New Orleans It was at that point that Reiff started to keep his diary Diligently transcribed and annotated by Michael Burden Reiff's diary presents an extraordinarily rare view of life with a foreign opera company as it traveled the country by river and rail Surprisingly Reiff comments little on the Pyne Harrison performances themselves although he does visit the theaters in the river towns including New Orleans where he spends evenings both at the French Opera and at the Gaiety Instead Reiff focuses his attention on other passengers on the mechanics of the journey on the landscape and on events he encounters including the 1856 Mardi Gras and the unveiling of the statue of Andrew Jackson in New Orleans's Jackson Square Reiff is clearly captivated by the river towns and their residents including the enslaved whom he encountered whenever the boat tied up Running throughout the journal is a thread of anxiety for apart from the typical dangers of a river trip the winter of 1855-1856 was one of the coldest of the century and the steamer had difficulties with river ice Historians have used Reiff's journal as source material but until now the entire text which is archived in Louisiana State University's Special Collections in Hill Memorial Library has only been available in its original state As a primary source the published journal will have broad appeal to historians and other readers interested in antebellum riverboat travel highbrow entertainment and the people and places of the South

Modernist Literature and Postcolonial Studies Rajeev S Patke, 2013-05-20 This book provides a fresh account of modernist writing in a perspective based on the reading strategies developed by postcolonial studies

Soldiering for Glory Frank Schaller, 2007 This work presents an ambitious German commander's views of military life and courtship in the Confederacy Confederate colonel Frank Schaller lived a life of grand ambition driven to attain rank fortune a good marriage and some measure of redemption in the eyes of his German family His correspondence from the 1860s follows his battlefield experiences his machinations for advancement and his courtship of Sophie Sosnowski of Columbia South Carolina Schaller emigrated from Germany to the U S in 1855 and began the career as a military science instructor that would lead him to North Carolina and the Hillsborough Military Academy in 1861 His training in Germany and his combat experience with the French army in the Crimean War made him a candidate for quick advancement once the Civil War began From the time of North Carolina's secession in 1861 until his being wounded at Shiloh in April 1862 Schaller advanced rapidly from lieutenant to colonel But after Shiloh his consistent and somewhat conspicuous medical complaints kept him from combat while he worked to maintain his rank as regimental commander of the Twenty second Mississippi Infantry and pursue a marriage into a prominent family Schaller reveals much in his correspondence about military actions and the inner workings of the Confederate officer corps The critical views of this disciplined European military commander on the quality and training of

his American volunteer soldiers is particularly telling He recounts his firsthand perspectives on the Battle of Shiloh the retreat from Nashville the Battle of Fredericksburg and the defeat at Gettysburg His letters to Sophie Sosnowski also detail the nature of courtship practices in the war torn South Bloomsbury Pie Regina Marler,2025-06-25 Celebrated and maligned with equal vigor the Bloomsbury Group is the best documented artistic coterie in twentieth century literature The novelists Virginia Woolf and E M Forster the artists Roger Fry Duncan Grant and Vanessa Bell and the economist John Maynard Keynes were among this charmed circle that emerged in London before the First World War and came to exercise a complex lingering influence on English art and letters Theirs was a world of great talent even genius sexual intrigue and gossip they cultivated an atmosphere in which it was possible to say anything do anything Their peak of influence in the 1920s was followed by forty years of sustained sidelong derogation and occasional frontal attack from such famously hostile critics as D H Lawrence and Wyndham Lewis until in the 1960s the idea of Bloomsbury exploded in the public imagination transforming the Group into an almost mass market attraction Not in their darkest nightmares could Bloomsbury s contemporary detractors have imagined that Charleston Farmhouse where Vanessa Bell and Duncan Grant once lived and painted would eventually attract some 15 000 visitors each year or that a high profile film Carrington would be based on Lytton Strachey s largely platonic love affair with an obscure artist on the fringes of the hallowed Group Bloomsbury Pie examines the persistent allure of Bloomsbury a fascination driven by nostalgia adoration and antipathy and tracks the resurgence of interest in the Group from a handful of biographies in the 1960s through the feminist discovery of Virginia Woolf in the 1970s and the enshrinement of the Bloomsberries as cultural icons in the 1980s and 1990s Drawing on a wealth of material generated by this revival Regina Marler chronicles the story of the Bloomsbury boom its scholars collectors and fanatics and explores the industry it has spawned among writers publishers and art dealers In the process she creates an impressive social history of a tenacious and unwieldy cultural phenomenon *The Rough Guide to Florida* Rough Guides,2009-08-03 The Rough Guide to Florida is the ultimate travel guide with clear maps and detailed coverage of all the best attractions Florida has to offer Discover the dynamic regions of Florida from the countless theme parks of Disney World EPCOT Universal Studios and SeaWorld to the canals and beaches of Fort Lauderdale Art deco sites of South Beach and Florida s expanding Downtown region Packed with practical advice on what to see and do in Florida this guide provides reliable up to date descriptions of the best hotels in Florida recommended restaurants and bars in Florida with detailed coverage on a full range of attractions from day trips to Dry Tortugas Islands to discovering the historic Stranahan House You ll find expert tips on exploring Florida s amazing fishing and boating activities golf and adventure sports Florida s sensational art galleries and museums all within walking distance of each other including the Kennedy Space Centre as well as cultural attractions shopping and entertainment for all budgets Navigate all corners of Florida with the clearest maps of any guide Make the most of your holiday with The Rough Guide to Florida *Realismustheorien in England (1692-1919)*
