when he made the land grant It was a way to get rid of some Quakers whom he considered troublesome Quakers did flock to Pennsylvania to settle but so did people from many other religious groups All faiths were welcome in Penn s colony The new city of Philadelphia prospered Settlers fanned out to the west to build farms and towns They shipped their products to Philadelphia and England By the time of the American Revolution Pennsylvania was considered the heart of the colonies Philadelphia hosted the First and Second Continental Congresses where the Declaration of Independence was crafted And from the Pennsylvania State House the Liberty Bell rang out the news of declared independence
