Beth Rabinowitz

The Penultimate War:

The Penultimate War Rodger R. Fitch, 1996-01-01 The Penultimate Truth Philip K. Dick, 2004 What if you discovered that everything you knew about the world was a lie That s the question at the heart of Philip K Dick s futuristic novel about political oppression the show business of politics and the sinister potential of the military industrial complex This wry paranoid thriller imagines a future in which the earth has been ravaged and cities are burnt out wastelands too dangerous for human life Americans have been shipped underground where they toil in crowded industrial anthills and receive a steady diet of inspiring speeches from a president who never seems to age Nick St James like the rest of the masses believes in the words of his leaders But that all changes when he travels to the surface where what he finds is more shocking than anything he could possibly imagine **The Nightmare of History** Helen Wussow, 1998 *The Nightmare of History The Fictions of Virginia Woolf and D H Lawrence* is an attempt to show the influence of the First World War on the literary and cultural attitudes of these two seminal yet very different writers It demonstrates that Woolf and Lawrence shared many perspectives about the dislocations and horrors created by war as well as potential although probably unachievable cultural resurrection Helen Wussow reveals that the authors uses of language their shaping of verbal forms applied simultaneously to issues of personal relationship and public or cultural history show remarkable similarities She argues that the works of these two authors are informed by the dynamics of conflict Yet at the same time Wussow is always aware of significant differences between Lawrence s and Woolf s fictions **The Chiwaya War** E. Page, 2022-02-28 *The Chiwaya War* s basic conclusions are that the First World War was a major turning point in the history of Malawi s peoples creating the first glimmers of a shared national identity and that it marked more than any event before or since the entry of Malawians into the emerging modern world system far more quickly than likely they and certainly even the most enlightened British colonial administrators of the time would have preferred *The Oxford Handbook of British and Irish War Poetry* Tim Kendall, 2007-02-22 The Handbook ranges widely and in depth across 20th century war poetry incorporating detailed discussions of some of the key poets of the period It is an essential resource for scholars of particular poets and for those interested in wider debates Contributors include some of the most important international poetry critics of our time **The Art of War in Twenty Battles** Anthony Tucker-Jones, 2018-04-02 The second millennium of mankind has been characterised by almost incessant warfare somewhere on the face of the globe *The Art of War in Twenty Battles* serves as a snapshot of the development of warfare over the past 1 000 years illustrating the bravery and suffering mankind has inflicted upon itself in developing what we call the Art of War Here military historian Anthony Tucker Jones selects twenty battles that illustrate the changing face of warfare over the past thousand years from the Viking shield wall to long bows and knights the emergence of gunpowder and finally the long range faceless warfare of today This is a look at the killing game and its devastating impact

Spiritual and Political Dimensions of Nonviolence and Peace , 2006-01-01 This book is a collection of philosophical

papers that explores theoretical and practical aspects and implications of nonviolence as a means of establishing peace The papers range from spiritual and political dimensions of nonviolence to issues of justice and values and proposals for action and change The Craft of Poetry Derek Attridge, Henry Staten, 2015-04-17 This book presents an innovative format for poetry criticism that its authors call dialogical poetics This approach shows that readings of poems which in academic literary criticism often look like a product of settled knowledge are in reality a continual negotiation between readers But Derek Attridge and Henry Staten agree to rein in their own interpretive ingenuity and minimally interpret poems reading them with careful regard for what the poem can be shown to actually say in detail and as a whole from opening to closure

Based on a series of emails the book explores a number of topics in the reading of poetry including historical and intellectual context modernist difficulty the role of criticism and translation This highly readable book will appeal to anyone who enjoys poetry offering an inspiring resource for students whilst also mounting a challenge to some of the approaches to poetry currently widespread in the academy *Ethics and the War on Terrorism* Kenneth L. Vaux, 2002-04-23 Dr Kenneth Vaux Professor of Theological Ethics at Garrett Evangelical Seminary examines the U S led war on terrorism from an Abrahamic theological and ethical perspective Vaux examines just war theory and applies various traditions to the current war in Afghanistan His reflections range from holy war in the Hebrew scripture the Qu ran and Constantinian Christianity to the Crusades Christian pacifism the American War of Independence and 20th Century Wars World Wars I and II Vietnam Somalia Bosnia and the Israeli Arab wars Vaux ends with the fatal trifurcation the disjunction among Christianity Islam and Judaism as the challenge before us The Politics of Post-War Demobilisation and Reintegration in Nigeria Olukunle Ojeleye, 2016-02-24 With an increasing international interest in post civil war demobilisation and reintegration especially in Africa Ojeleye presents a well timed body of knowledge on the Nigerian civil war Moreover this book provides an in depth study of the modalities and processes of the demobilisation and reintegration exercises carried out at the end of the Nigerian civil war and assesses their implications for national politics in the West African nation The author identifies the political socio economic and cultural background to the Nigerian civil war and discusses the central theme of demobilisation disarmament and reintegration DDR in Nigeria against the backdrop of the policy of the country s post war reconstruction reconciliation and rehabilitation exercise the 3Rs Though the central theme is Nigeria it compares the demobilisation and reintegration exercise in Nigeria with other attempts in Sub Sahara Africa by highlighting the important deviations and drawing some conclusions on the Nigerian experience It also touches on issues relating to international involvement and intervention in civil wars and the roles of the African Union the Commonwealth of Nations and the United Nations A Companion to Josephus Honora Howell Chapman, Zuleika Rodgers, 2016-01-19 A Companion to Josephus presents a collection of readings from international scholars that explore the works of the first century Jewish historian Flavius Josephus Represents the first single volume collection of readings to focus on Josephus Covers a wide range of disciplinary approaches

to the subject including reception history Features contributions from 29 eminent scholars in the field from four continents Reveals important insights into the Jewish and Roman worlds at the moment when Christianity was gaining ground as a movement Named Outstanding Academic Title of 2016 by Choice Magazine a publication of the American Library Association

At War With The Wind: David Sears, 2012-03-01 Drawing from hundreds of interviews with WWII veterans who survived Japan's terrifying kamikaze strikes acclaimed author and former U S Navy Officer David Sears vividly portrays what it was like to experience this tactic capturing the real life dramas behind America's first confrontation with the psychology and devastating impact of suicide warfare In the last days of World War II a new and baffling weapon terrorized the United States Navy in the Pacific To the sailors who learned to fear them the body crashing warriors of Japan were known as suiciders among the Japanese they were named for a divine wind that once saved the home islands from invasion Told from the perspective of the men who endured this horrifying tactic At War with the Wind is the first book to recount in nail biting detail what it was like to experience an attack by Japanese kamikazes Acclaimed author David Sears draws on personal interviews and unprecedented research to create a narrative of war that is stunning in its vividness and unforgettable in its revelations This is the candid story of a war within a war a relentless series of furious and violent engagements pitting men determined to die against men determined to live Its echoes resonate hauntingly at a time of global conflict especially when suicide as a weapon remains a perplexing and terrifying reality Main Selection of the Military Book Club Featured Alternate of the History Book Club

Defensive Nationalism Beth Rabinowitz, 2023 A stunningly novel account of why populism and fascism are on the rise in the early 21st century There is no question that we live in paradoxical times In the most technologically advanced societies wild conspiracy theories and a broad distrust of science and expertise have created deep political divisions that are splitting nations in two In Defensive Nationalism Beth S Rabinowitz looks at the rise of nativism and populism today by using the works of two great theoreticians Karl Polanyi and Joseph Schumpeter Drawing from both theory and history she combines Polanyi's concept of the double movement away from markets and toward social protection with Schumpeter's theory of innovation Rabinowitz argues that the rapid transformation of transportation and communications during the Industrial Revolution and the Digital Revolution created economic interdependence and capital flows that induced liberal social economic and political changes In response separate populist movements stemming from particular national histories and struggles arose concurrently Rabinowitz calls these illiberal responses defensive nationalism and reframes nationalism as a three part process creative consolidating and defensive Constructing new parameters through which we can study these socio political patterns across time and space this book weaves together a fascinating narrative that spans two centuries

Embracing the Song of Term: An Emotional Symphony within **The Penultimate War**

In a global taken by screens and the ceaseless chatter of quick connection, the melodic elegance and emotional symphony developed by the prepared word often disappear into the background, eclipsed by the persistent sound and interruptions that permeate our lives. But, set within the pages of **The Penultimate War** an enchanting fictional value overflowing with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, this captivating masterpiece conducts viewers on a mental trip, skillfully unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths of this emotional evaluation, we will discover the book is main harmonies, analyze their enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
