Ethnobotany of Tuberculosis in Laos Bethany Gwen Elkington,Djaja Djendoel Soejarto,Kongmany Sydara,2014-11-11 This book highlights the common ground between biomedicine and traditional healing Because of the destruction of forests the degradation of old palm leaf manuscripts and decreasing interest in traditional medicine by younger generations it is becoming more and more important to record medicinal plant knowledge before it is lost This research provides written and photographic documentation of some of the medicinal plant knowledge held by the people of Laos Translating and validating some of the power of traditional medicine used in Laos into biomedical terms through laboratory analyses may serve to demonstrate its importance in a global language In this text the translational research was performed through in vitro laboratory analyses of select plant species with a history to treat symptoms of TB The processes of plant collection extraction biological assays and isolation elucidation are also described and detailed in the Biochemical Validation section The biomedical discoveries explored in Ethnobotany of Tuberculosis in Laos stresses the importance of conserving and sustaining our natural ecosystems for medicinal preservation and utilization

Multilingual Education and Sustainable Diversity Work Tove Skutnabb-Kangas,Kathleen Heugh,2013-06-17 This very original inspirational book globalises our understanding of languages in education and changes our understanding of bilingual and multilingual education from something mostly western to being truly transnational it spotlights the small celebrates African and Asian cases of multilingual classrooms and demonstrates that such education is universally successful Colin R Baker Pro Vice Chancellor Bangor University Bangor Wales UK A norm setting work on multilingual education which combines theoretical perspectives with practical experience from different parts of the globe this book demonstrates convincingly not only that multilingual education works but also that for most developing countries there is no viable alternative Ayo Bamgbose Professor Emeritus University of Ibadan Nigeria This excellent volume brings to light the fascinating lived experiences of multilingual education in linguistically rich but resource impoverished countries and offers important lessons from which we can all learn Amy B M Tsui Professor Pro Vice Chancellor Vice President The University of Hong Kong Hong Kong This is a

book of hope and inspiration Documenting the significant shift that is taking place in countries around the world in the status and legitimacy of mother tongue based multilingual education it represents a giant step towards a tipping point where mother tongue based multilingual education will be normalized as the preferred and in fact common sense option for educating the children of the world Jim Cummins The University of Toronto Canada This important book challenges us to think about multilingual education from a different angle this time putting the periphery at the center The effect is one of destabilizing old visions and imagining new worlds where multilingual education provides the backdrop for generous understandings of all peoples Ofelia Garc a Program in Urban Education Graduate Center The City University of New York USA There are regrettably few detailed accounts of successful elementary school instruction in the pupils home language which makes this book with its surprising examples especially Ethiopia and Nepal but other third world cases so relevant Students of language education policy will learn a great deal about the possibility of multilingual education from the chapters of this important book Bernard Spolsky Professor Emeritus Bar Ilan University Israel At least half of today s languages are marginalised and endangered and the attention of the world needs to be focused on these minor and minority languages together with the value of multilingualism If the book succeeds in enhancing the consciousness of the world towards predicaments of the third world then its efforts will have been amply rewarded Debi Prasanna Pattanayak Former Director Central Institute of Indian Languages India Drawing on the most powerful and compelling research data to date and connecting this research to linguistic human rights this book explores the conditions and practices of robust bilingual and multilingual educational innovations in both system wide and minority settings and what it is that makes these viable It demonstrates how in countries where educational practices are inclusive of linguistic diversity and responsive to local conditions and community participation implementation of bilingual education even within limited budgetary investment can be successful Conflict Resolution and Peacebuilding in Laos Stephanie Phetsamay Stobbe, 2015-06-19 Using the case study of Laos a small landlocked country in Southeast Asia that has seen some of the world s most brutal forms of poverty and violence this book examines the power of traditional and indigenous conflict resolution systems as a tool for social justice It explores how the conflict resolution mechanisms build infrastructures that support social harmony and address larger scale conflicts within communities nations and international arenas The book discusses how over centuries foreign powers have polarised and used the ethnic groups of Laos to support their own agendas and how in spite of this the Lao people have consistently managed to recreate the peace and harmony that support their social relationships whether that is within groups or between many distinct groups Through the development and use of appropriate grassroots conflict resolution structures that do not require a formal court system and exists outside the political arena they have been successful in resolving conflicts within and across cultural groups The book shows that the conflict resolution systems of Laos are embedded in the fabric of ordinary everyday life and operate independently of the hierarchical structures that dominate governing institutions

Highlighting how peace continues to work its way into existence through elaborate mediation systems and rituals that bring people together this book will be of use to students and scholars of Southeast Asian Politics Peace Studies and War and Conflict Studies **Native Peoples of the World** Steven L. Danver,2015-03-10 This work examines the world's indigenous peoples their cultures the countries in which they reside and the issues that impact these groups Reparations for Indigenous Peoples Federico Lenzerini,2008-01-24 In this book a group of renowned legal experts and activists investigate the right of indigenous peoples to reparations for breaches of their individual and collective rights Mon-Khmer: Peoples of the Mekong Region Ronald D.renard,Kr. Anchalee Singhanetra Renard,2015-03-01 The Mon Khmer project took a long journey before it was turned into a final product the first comprehensive collection of articles on Mon Khmer peoples of the Mekong Region The project was started in 2001 by the first editor of the book Dr Ronald D Renard who unfortunately did not see the final product of his valuable work During 1995 1996 Dr Ron Renard as the manager of the UNDP Highland People project and I travelled to Northeast Cambodia Vietnam and Laos to explain to representatives of ethnic communities the aim of the project and how the ethnic minorities many of whom are Mon Khmer could be involved and benefit from it It may well be that this encounter with these ethnic groups made him expand his intellectual interest to study them in addition to the Karen in Thailand whose history of integration into the Siamese state he had studied for his dissertation completed in 1980 According to my last conversation with Ron it was during the time when he worked for the Journal of Siam Society in the late 1990s that he decided to embark upon the Mon Khmer project which preoccupied the last part of his academic life

Ethnic Groups of Laos: Profiles of Austro-Thai-speaking peoples Joachim Schliesinger,2003 *Laos, a Country Study* ,1979 **Heritage and the Making of Political Legitimacy in Laos** Phill Wilcox,2025-10-01 The Lao People's Democratic Republic is nearly fifty years old and one of the few surviving one party socialist states Nearly five decades on from its revolutionary birth the Lao population continues to build futures in and around a political landscape that maintains socialist rhetoric on the one hand and capitalist economics on the other Contemporary Lao politics is marked by the use of cultural heritage as a source of political legitimacy Researched through long term detailed ethnography in the former royal capital of Luang Prabang itself a UNESCO recognized World Heritage Site since 1995 this book takes a fresh look at issues of legitimacy heritage and national identity for different members of the Lao population It argues that the political system has become sufficiently embedded to avoid imminent risk of collapse but suggests that it is facing new challenges primarily in the form of rising Chinese influence in Laos Constitutional Change in the Contemporary Socialist World Ngoc Son Bui,2020 Comparative constitutional law has a long and distinguished history in intellectual thought and in the construction of public law As political actors and the people who create or modify their constitutional orders they often wish to learn from the experience and learning of others This cross fertilization and mutual interaction has only accelerated with the onset of globalization which has transformed the world into an interconnected web that facilitates dialogue and linkages across

international and regional structures Oxford Comparative Constitutionalism seeks to publish scholarship of the highest quality in constitutional law that deepens our knowledge of local national regional and global phenomena through the lens of comparative public law Book jacket
