The Perfect Legacy How To Establish Your Own Private Foundation:

The Perfect Legacy Russ Alan Prince, Gary L. Rathbun, Karen File, 1998 *Creating a Private Foundation* Roger D. Silk, James W. Lintott, 2010-05-27 Imagine all you'd like to accomplish with your philanthropy. Now picture a large portion of your resources never reaching their intended use due to poor strategies, mismanagement or unnecessary taxes. Today the opportunities in the philanthropic sector are greater and more varied than ever. Private foundations, which offer several estate and tax planning advantages as well as unparalleled donor control, have become the vehicle of choice for more than sixty thousand individuals and families and may be ideal for you. *Creating a Private Foundation* introduces the issues you need to understand and gives the big picture on how foundations work. It tells you exactly what is involved for you, for the causes you care about, for your finances and taxes, and for your heirs. Chapters address the practicalities as well as the implications of founding, funding, organizing and operating an effective foundation, including growing its endowment, allocating its assets, and selecting professional foundation management help. Roger Silk, James Lintott, and their colleagues, leaders in the foundation consulting arena, have pooled their wisdom in this comprehensive guide for donors and your advisers. If you're looking to make a difference, there is no better guide. **SECRETS TO SUPER GET RICH** Steffan Henricksson, 2022-05-03 There are no secrets to getting rich overnight; it isn't easy, but it is possible. Getting rich starts with your mindset. The golden rule is: If you don't have a clear plan ahead of you, you can't achieve success. This is why all successful and wealthy individuals make to-do lists and set goals. Generally, if you have no plan of action to make that happen, it's not really a goal. It's just a daydream, and the most important thing you can do to ensure your financial future is to start saving and investing earlier rather than later, because the sooner you start, the easier it is to get wealthy. In this book, **SECRETS TO GET RICH**, I'll show you great ideas to help you get wealthy, avoid financial ruin, and find the peace that comes with financial freedom, no matter what your income level is. *High-net-worth Psychology* Russ Alan Prince, 1999 **The Cumulative Book Index**, 1998 A world list of books in the English language **Protecting Donor Intent: How to Define and Safeguard Your Philanthropic Principles** Jeffrey Cain, 2012-02-22 The need for this guidebook is clear. Donors have made large gifts to charitable causes only to have the funds eventually spent on purposes they never would have supported. All too often, the trustees and staff of grantmaking institutions drift from intended goals, lose accountability, or pay insufficient attention to the principles that governed their founders' charitable giving. In some cases, assets have been put to uses that would have repelled the original benefactors, turning a generous and well-intentioned gift into a punchline. This guidebook offers detailed guidance to philanthropists who want to ensure that the assets they dedicate to charity are disbursed as they intend. It identifies common pitfalls, explains relevant tradeoffs, and describes successful strategies used by other donors. It lays a broad range of options before you and suggests ways you can define, secure, and perpetuate your charitable intentions. *Creating A Business and Personal Legacy* J.
