**The 1968 Tet Offensive Battles Of Quang Tri City And Hue [Illustrated Edition]** Erik Villard,2014-08-15 Includes 10 maps 5 illustrations This monograph focuses on the battles of Quang Tri City and Hue that took place during the 1968 Tet offensive The offensive itself an all out effort by Viet Cong and North Vietnamese forces to overrun the major cities of South Vietnam marked the turning point of the Vietnam War Although the attacks were costly failures in military terms they set the United States on a path of disengagement from the war that ultimately led to the fall of Saigon some seven years later The battles for the two northernmost provincial capitals in South Vietnam Quang Tri City and Hue are particularly worth examining because the enemy regarded them as key objectives second only to Saigon the national capital To a large extent the success or failure of the offensive depended on what happened there The battles tell us much about how the enemy prepared for the offensive why he achieved a high degree of surprise and initial success and why his attacks ultimately failed The battle for Quang Tri City a textbook example of a vertical envelopment resulted in a quick allied victory The fight for Hue turned into a slow grinding campaign of attrition that lasted nearly a month before the enemy was finally defeated Together they offer instruction on the strengths and limitations of airmobile warfare and a primer on urban fighting in a counterinsurgency environment subjects that continue to be a major Army interest throughout the world

U.S. Marines In Vietnam: The Defining Year, 1968 Jack Shulimson,2015-11-06 The year 1968 was the year of the Tet Offensive including Khe Sanh and Hue City These were

momentous events in the course of the war and they occurred in the first three months of the year This book however documents that 1968 was more than just the Tet Offensive The bloodiest month of the war for the U S forces was not January nor February 1968 but May 1968 when the Communists launched what was called their Mini Tet offensive This was followed by a second Mini Tet offensive during the late summer which also was repulsed at heavy cost to both sides By the end of the year the U S forces in South Vietnam s I Corps under the III Marine Amphibious Force III MAF had regained the offensive By December enemy initiated attacks had fallen to their lowest level in two years Still there was no talk of victory The Communist forces remained a formidable foe and a limit had been drawn on the level of American participation in the war Although largely written from the perspective of III MAF and the ground war in I Corps the volume also treats the activities of Marines with the Seventh Fleet Special Landing Force activities of Marine advisors to South Vietnamese forces and other Marine involvement in the war Separate chapters cover Marine aviation and the single manager controversy artillery logistics manpower and pacification E H SIMMONS Brigadier General U S Marine Corps Retired [A Time to Kill, a Time to Heal](#) Roger Helle, 2019-01-04 Ron entered the long hospital corridor looking for his brother Roger After searching the ward unsuccessfully he approached a doctor standing by the bed of a patient I m Sergeant Helle s brother he said How is he The doctor looked at Ron and said I m sorry son but your brother is going to die There s nothing else we can do Just a few beds away drifting in and out of consciousness Roger heard the doctor s death sentence Not yet twenty three years old he felt fear grip his heart in a way he had not even experienced on the battlefield That fear caused him to do something he had never done before Roger silently prayed God if there is a God if you let me live I ll do anything you want Then he slipped mercifully back into a drug induced sleep That prayer would be answered in a way Roger could never have imagined but only after years of nightmares alcohol and tortured emotional battles Peace did come at last as Roger not only made peace with Vietnam but the emotional pain of his past as well Roger and Shirley Helle live in Chattanooga Tennessee They retired from Teen Challenge in 2017 after 40 years of ministry The Helle s continue to travel across the country speaking and ministering

**Brown Water, Black Berets** Thomas Cutler, 2012-10-11 The men of the U S Navy s brown water force played a vital but often overlooked role in the Vietnam War Known for their black berets and limitless courage they maneuvered their aging makeshift craft along shallow coastal waters and twisting inland waterways to search out the enemy In this moving tribute to their contributions and sacrifices Tom Cutler records their dramatic story as only a participant could His own Vietnam experience enables him to add a striking human dimension to the account The terror of firefights along the jungle lined rivers the rigors of camp life and the sudden perils of guerrilla warfare are conveyed with authenticity At the same time the author s training as a historian allows him to objectively describe the scope of the navy s operations and evaluate their effectiveness Winner of the Navy League s Alfred Thayer Mahan Award for Literary Achievement in 1988 when the book was first published Cutler is credited with having written the definitive history of the brown water sailors an effort that has helped
