The Perfumed Garden:

Perfumed Garden V7 Al-Nafzawi,2013-12-19 The Perfumed Garden of Sensual Delight has a bad reputation and a tattered history For over a century it has been known in English through Sir Richard Burton s bizarre translation from the French which consistently elaborated and misinterpreted the original If ever a book needed demystifying it is this one Although remarkably lewd at times it does not linger over details nor does it contrive to excite It does not therefore qualify as pornography In fact The Perfumed Garden of Sensual Delight is nothing more than a manual for the ordinary married man of its author s time and place Tunisia in the early part of the 15th century but one that is not without some entertainment value The present translation is not only the first published English version to be based upon an established Arabic text but also the first to be translated directly from the original Arabic at all First published in 1999 Routledge is an imprint of Taylor Francis an informa company **The Perfumed Garden** ,1963 **The Perfumed Garden (mans' Heart to Gladden)** al-Nafzāwī

The Perfumed Garden Shaykh Nefwazi,2012-04-26 The name of the Sheikh has become known to posterity as the author of this work which is the only one attributed to him In spite of the subject matter of the book and the manifold errors found in it and caused by the negligence and ignorance of the copyists it is manifest that this treatise comes from the pen of a man of great erudition who had a better knowledge in general of literature and medicine than is commonly found with Arabs According to the historical notice contained in the first leaves of the manuscript and notwithstanding the apparent error respecting the name oft he Bey who was reigning in Tunis it may be presumed that this work was written in the beginning of the sixteenth century about the year 925 of the Hegira As regards the birthplace of the author it may be taken for granted considering that the Arabs habitually joined the name of their birth place to their own that he was born at Nefzaoua a town situated in the district of that name on the shore of the lake Sebkhā Melrīr in the south of the kingdom of Tunis
