McMinn, 2004 This emotionally stirring book brings readers to realize their sin and leads them straight into the arms of a grace giving God by using Rembrandt's ornate painting The Return of the Prodigal Son as an illustration **When God the Son Became the Son of God** Robert Fuller, 2008-03 Two baffling concepts have always confronted Christianity the doctrine of the trinity and the subject of Christology Both subjects deal with the inexplicable mysteries of how God became incarnate in Jesus Christ and when did Jesus know He was God The author believes the subject of the trinity is actually simple and easily understood from a scriptural perspective This book is for anyone who wants to know about the preexistence of Jesus Christ for believers who might be unsure about their personal salvation and for all Christians who want the entire message of how and why Jesus is the Son of God Robert Fuller is an ordained minister having received his B A degree in the Biblical Field from Abilene Christian University and a M Ed degree from the University of North Texas Mr Fuller states I was raised a Trinitarian as defined by the Nicene Council of 325 A D and was taught Chalcedonian Christology yet it was not until later in life that I have come to understand the scriptures concerning why and how God the Son emptied Himself not of divinity but of equality with Very God to become the Son of God and eventually the man Jesus Christ Jesus was the Son of God in human form and fulfilled God's perfect will so that God the Father gave Him the authoritative name of Jesus Jesus was aware of His divinity at His barmitzvah when He demonstrated to the temple priest His divine wisdom about the Torah Catholics have always been right about Mary being the Mother of God She knew Jesus was God in the flesh and no doubt informed Him early on about His miraculous conception Jesus virgin birth was something Mary just couldn't keep to herself Luke 1:46-56 *About True Christianity* 1 St. Tikhon of Zadonsk, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory/vladimir-djambov-talmach.html> The word of God being the most true and perfect rule of piety as said all Christians need but shepherds that is bishops and priests especially for they took the key of understanding Luke 11:52 which is the word of God No one can serve two masters says the Lord Matt 6:24 About this St John Chrysostom teaches Do not tell me that you are not worshiping the golden idol but show me that you are not doing what the gold commands you to do For the images of idolatry are different one honors the mammon for gentlemen another the womb for God another the most universal lust You do not devour oxen like the Greeks but much worse you slaughter your soul you don't kneel you don't worship but with great obedience you do everything that commands you womb gold and lust torment Therefore the Greeks are vile because our passions have been enriched Conversation 6 on the Epistle to the Romans **The Friends' Library** William Evans, Thomas Evans, 1846
