Sisters Or Strangers Cb:

The Secret History of Jane Eyre John Pfordresher, 2017-06-27 The surprising hidden history behind Charlotte Brontë's Jane Eyre Why did Charlotte Brontë go to such great lengths on the publication of her acclaimed best selling novel Jane Eyre to conceal its authorship from her family close friends and the press In The Secret History of Jane Eyre John Pfordresher tells the enthralling story of Brontë's compulsion to write her masterpiece and why she then turned around and vehemently disavowed it Few people know how quickly Brontë composed Jane Eyre Nor do many know that she wrote it during a devastating and anxious period in her life Thwarted in her passionate secret and forbidden love for a married man she found herself living in a home suddenly imperiled by the fact that her father a minister the sole support of the family was on the brink of blindness After his hasty operation as she nursed him in an isolated apartment kept dark to help him heal his eyes Brontë began writing Jane Eyre an invigorating romance that despite her own fears and sorrows gives voice to a powerfully rebellious and ultimately optimistic woman's spirit The Secret History of Jane Eyre expands our understanding of both Jane Eyre and the inner life of its notoriously private author Pfordresher connects the people Brontë knew and the events she lived to the characters and story in the novel and he explores how her fecund imagination used her inner life to shape one of the world's most popular novels By aligning his insights into Brontë's life with the timeless characters harrowing plot and forbidden romance of Jane Eyre Pfordresher reveals the remarkable parallels between one of literature's most beloved heroines and her passionate creator and arrives at a new understanding of Brontë's brilliant immersive genius
