Charlotte Perkins Gilman's "The Yellow Wall-paper" and the History of Its Publication and Reception Julie Bates Dock, 1998-02-27 Since its publication in 1892 Charlotte Perkins Gilman's *The Yellow Wall paper* has always been recognized as a powerful statement about the victimization of a woman whose neurasthenic condition is completely misdiagnosed mistreated and misunderstood leaving her to face insanity alone as a prisoner in her own bedroom Never before however has the story itself been portrayed as victimized In this first critical edition of Gilman's *The Yellow Wall paper* accompanied by contemporary reviews and previously unpublished letters Julie Bates Dock examines the various myth frames that have been used to legitimize Gilman's story The editor discusses how modern feminist critics readings and misreadings of the available documents uphold a set of legends that originated with Gilman herself and that promulgate an almost saintly view of the pioneering feminist author The documents made available in the collection enable scholars and students to evaluate firsthand Gilman's claims regarding the story's impact on its first audiences Dock presents an authoritative text of *The Yellow Wall paper* for the first time since its initial publication Included are a textual commentary full descriptions of all relevant texts lists of editorial emendations and pre copy text substantive variants a complete historical collation that documents all the variants found in important editions after 1892 and a listing of textual sources for more than one hundred reprintings of the story in anthologies and textbooks Other documents in the casebook that illuminate the story's publication and reception histories include Gilman's successive and varying accounts of the story's history her diary and manuscript log entries and letters pertaining to the story W D Howells's correspondence with Gilman and Horace Scudder editor of *The Atlantic Monthly* and his remarks on the story when he reprinted it in *Great American Short Stories* and more than two dozen reviews of the story by Gilman's contemporaries Taken together the criticism text documents and annotations constitute a rich and valuable contribution to Gilman scholarship calling into question the feminist literary criticism that has helped to shape interpretations of a literary masterpiece *The Situation of the Story* Diana Young, 1993-01-01 [The Oxford Handbook of Modern Irish Fiction](#) Liam Harte, 2020-10-15 The *Oxford Handbook of Modern Irish Fiction* presents authoritative essays by thirty five leading scholars of Irish fiction They provide in depth assessments of the breadth and achievement of novelists and short story writers whose collective contribution to the evolution and modification of these unique art forms has been far out of proportion to Ireland's small size The volume brings a variety of critical perspectives to bear on the development of modern Irish fiction situating authors texts and genres in their social intellectual and literary historical contexts The Handbook's coverage encompasses an expansive range of topics including the recalcitrant atavisms of Irish Gothic fiction nineteenth century Irish women's fiction and its influence on emergent modernism and cultural nationalism the diverse modes of irony fabulism and social realism that characterize the fiction of the Irish Literary Revival the fearless aesthetic radicalism of James Joyce the jolting narratological experiments of Samuel Beckett Flann O'Brien and
