Sjahrir Politics And Exile In Indonesia Studies On Southeast Asia No 14:

Sjahrir Rudolf Mrázek, 2018-05-31 A comprehensive biography of the Indonesian nationalist leader and Prime Minister of the Indonesian Republic Sutan Sjahrir This work is both a study of an individual and the social conditions that shaped him The author has conducted extensive research and interviews with those who knew Sjahrir personally politically and by reputation *American Visions of the Netherlands East Indies/Indonesia* Frances Gouda, 2002 A revealing reassessment of the American government's position towards Indonesia's struggle for independence Suharto R. E. Elson, 2001-11-13

Suharto is synonymous with modern Indonesia He came to the leadership of Indonesia amidst extreme social upheaval and mass violence in 1966 and established an enduring regime known as the New Order He remained in command of the world's fourth most populous country until his dramatic fall from power in 1998 This book provides fascinating insights into a man who rose from humble beginnings to exert extraordinary power over a complex and volatile nation He presented himself as an infallible father of Indonesia yet he remained a mysterious and puzzling figure He sought to transform Indonesia into a strong united and economically prosperous nation but he is remembered today for human rights abuses and profound corruption The system of power he created collapsed with his decline and he left a problematic legacy for Indonesia's current leaders as they seek to create a new beginning for their country *At the Risk of Being Heard* Bartholomew Dean, Jerome M. Levi, 2003 An analysis of indigenous rights and the challenges confronting indigenous peoples in the twenty first century

No Concessions Daniel S. Lev, 2011-12-01 The compelling personal story of human rights lawyer Yap Thiam Hien 1913-1989 brings decades of modern Indonesian history to life No Concessions is a penetrating analysis of the trajectory of the Chinese minority in Indonesia over close to a century and the remarkable making of a civic leader Without abandoning his ethnic roots Yap transcended them by becoming a courageous legal defender of civil and human rights of all oppressed Indonesians including former communists and radical Muslims *Southeast Asia* Keat Gin Ooi, 2004 Contains over eight hundred alphabetically arranged entries that provide information about topics related to the historical development and global influence of Southeast Asia covering politics war religion socioeconomics ethnohistory geography and folklore The Journal of Asian Studies, 1994 **Journalism and Politics in Indonesia** David T. Hill, 2010-01-21 This book weaves a history of the Indonesian press and of Indonesia's post independence history through the life story of Mochtar Lubis one of Indonesia's best known newspaper editors authors and cultural figures with a national regional and international prominence he retained from the early 1950s until his death in 2004 Indonesia Taufik Abdullah, 2009 This book traces the beginning of the process of nation formation the struggle for independence the hopeful beginning of the new nation state of Indonesia only to be followed by hard and difficult ways to remain true to the ideals of independence In the process Indonesia with its sprawling archipelago and its multi ethnic and multi religious nation has to undergo various types of crisis and internal conflicts but the ideals that have been nurtured since the beginning when a new nation began to be visualized remain intact

Some changes in the interpretation may have taken place and some deviations here and there can be noticed but the literal meaning of the ideals continues to be the guiding light In short this is a history of a nation in the continuing effort to retain the ideals of its existence

Official History in Modern Indonesia Michael Wood, 2005-08-01 Dealing with New Order perceptions of the past this study gives insights into how the past can be used for purposes of national building and regime legitimization and into the nature of the New Order The Suharto regime created a coherent history that is reflected in recent archaeological and historical research in popular histories and biographies in monuments and in school textbooks The author describes an official history stretching from the proto Indonesia of Majapahit through the Indonesian Revolution up to the birth of the New Order in 1965 He also gives a counterview to this history stressing Indonesia s place in the larger Islamic world The past emphasized political stability and national unity under the guidance of the military and socially disruptive ideas were to be avoided
