

SMALLTOWN

ANTI-FICHRIST

David Jackson's first book, *Smalltown*, is a collection of short stories and essays. It is a collection of stories that are as much about the author as they are about the characters. The stories are set in a small town in the South, and they are all about the lives of the people who live there. The stories are written in a style that is both humorous and serious, and they are all about the lives of the people who live there.

A. S. Jackson, *Smalltown*, and *Smalltown* by David Jackson.
