*Brith Sholom News* ,1928 *My Senior Year* Michael Fitzgibbons,2000-12-20 Hey I m John Sullivan a recent high school graduate who collected his thoughts and dreams and hopes and fears and all kinds of other stuff in a year long diary through his senior year When I finished on graduation day I realized I had quite a collection as a matter of fact I had more than 400 pages So I thought about it and realized that it had a beginning a middle and an end so therefore it told a complete story which I think might be a book if I remember my sophomore literature class correctly I am NOT saying it is literature ha ha but I do think it is a book That is where you come in I don t think it is much of a book if I m the only one who reads it It is just a diary then that will remain on the floppy disk in my computer desk in my bedroom Instead you could read it And tell me what you think And then I will know if I should have left it in that computer desk Or not If you do read it you ll find that I didn t leave anything out even the stuff that might embarrass me I could even still get into some trouble about some of it but I think I m ok because I don t think my parents will want to read it because they were there for almost all of it so it would be a rerun for them I don t think reruns are bad but they already lived through this once so they probably don t want to get all upset allover again So go ahead and click away It was an adventure for me come on along for the ride John Sullivan is right This is quite an undertaking for a senior in high school But that is what it is a diary a coming of age novel a satire and incredibly a love story It is a unique look at one of the most important developmental periods in a person s life **High**

**School Ministry** Mike Yaconelli,Jim Burns,1986 **Hope and Dignity** Emily Herring Wilson,Susan Mullally,1992-09 From the Foreword by Maya Angelou InHope and DignityEmily Wilson and Susan Mullally have offered some answers to the question of Black survival Wilson a good and recognized poet traveled her adopted State of North Carolina she is originally

from Georgia talking to older Black women and listening to their responses Interestingly the women collected in this book appear to be speaking more to their ancestors and even to their unborn progeny than to Emily Wilson and therein must lie the book's success For since Wilson is White it is natural to suspect anything Black people might say to her There is the old saying among Blacks If white people ask you where you are going tell them where you've been It is a compliment to Wilson to say that she was wise enough to pose her questions then stand aside so that the women could reflect privately on the pasts they have lived and even those they wished they had lived Mullally's photographs are inspired and to the point She has demonstrated as much sensitivity as Wilson and an equal amount of poetic curiosity The subjects appear as out of a mist suddenly clear and clearly mistresses of their real and imagined times They have overcome the cruel roles into which they had been cast by racism and ignorance They have wept over their hopeless fate and defied destiny by creating hope anew They have nursed by force a nation of hostile strangers and wrung from lifetimes of mean servitude and third class citizenship a dignity of indescribable elegance If I had it to do over Mrs Bryant explains I would just as soon have the days of back yonder as today I had But I'm sure the children can have so much more and so much more easier till this is better days for living but not the kind of living we was brought up with We had time to visit each other and had time to go see the sick and didn't have no thoughts of putting nobody in the rest home Maybe if there was four or five working on the farm one could stay at the house and wait on that sick person And it didn't put no bigger strain on them Now it seems like they have keyed up themselves for fine houses fine furniture fine cars fine everything until it takes them both to work the wife and the husband But used to if the man had to be sick the woman with the neighbor's aid could carry on Or if the woman had to be sick the neighbors would help do the chopping or do whatever she had been doing till she could get well Now there's no way that no one hardly the way they've got themselves stretched out for wanting so much that they can carry on as well as we did When mother stays at home with the children and works with them like I did you near about know them No way hardly they can fool you or nothing I'm not giving myself no pat but nobody worked more hours than I did These women are teachers comprehensively Their accounts inform us that while life in North Carolina and in all the United States has been hard for the Black woman and man and child it can be borne with dignity and it can be changed by hope Salutes to Wilson and Mullally and humble thanks to all the women collected in this book I understand them They are my grandmothers Author note Emily Herring Wison is a writer in Winston Salem North Carolina She is working with Margaret Supplee Smith on a history of women in North Carolina Susan Mullally Clark is a photographer in Greensboro North Carolina who is currently working on a photographic study of brothers and sisters Wilson and Clark traveled more than 20 000 miles through the South in the course of interviewing lecturing and photographing for Hope and Dignity
