all If godly love is your one talent it is yours to continually refine throughout your life In order to continually grow in godly love God s Word must be your road map God Loves You Notes of His Love unearths truths about your Heavenly Father s love from Paul s description of godly love in his first letter to the Corinthians In his letter he reveals its seven qualities You will find in God Loves You Notes of His Love that each chapter is dedicated to studying a quality of love As you study each chapter you become a student of God s love You investigate for yourself how to live an entire life of continual growth in ever abounding love for your Heavenly Father God your dear ones and all humanity After you devote your entire life to successfully studying and living godly love you will appear before your Heavenly Father God When He sees your soul beaming the seven qualities of godly love He will tell you Well done good and faithful servant You have been faithful with a few things I will put you in charge of many things Come and share your Master s happiness **Smile of Joy** Thomas G Casey,2021-04-01 It s amazing to think that the first smile Jesus ever gave was in response to Mary s smile It must have been an extraordinary moment her son was smiling at her and it was God smiling at her too This book looks at Mary this extraordinary woman who is the cause of our joy because she brought us the greatest joy of all Jesus She was full of joy because she was full of gratitude gladly acknowledging the fullness of grace that God had given her Her deep joy overflowed when she visited her cousin Elizabeth My soul magnifies the Lord and my spirit exults in God my Saviour But this Magnificat song wasn t just a once off song of praise the reason it came to Mary s lips so easily was because it was her usual way of praying She constantly thanked God for the gifts he had given her Whatever the circumstances Mary had the deep inner conviction that all shall be well and all manner of thing shall be well as Julian of Norwich was later to express it Many of us seek joy outside of ourselves in food and drink or in riches and reputations But Mary found an inner joy that came from encountering God a joy that was immeasurably greater than any material joy And by giving Mary a place in our hearts we can find true joy in God as well **Grace Notes** Ardis Dick Stenbakken,2008 Flowing throughout these testimonies from women all over the world is a sense of profound appreciation for these sweet undeserved gifts of mercy Listen quietly you ll recognize grace notes echoing in your own soul *The Grace Note* Jaqi Anderson,2019-01-24 Finding faith can sometimes surprise you In a suburban town in Southern England Kitty s life is turned upside down by a mysterious letter from a brother she never knew she had Meanwhile and quite unexpectedly she encounters the enigmatic and brooding Yani Belushi a pianist who is carrying his own dark and sorrowful secret born out of a fractured childhood in former communist Albania An inherited cello becomes the unlikely accomplice as their two worlds of music and adoption collide each seeking resolution and discovery with mesmerising results Loosely inspired by real events The Grace Note is about small things and big things and which is which It s a tale of loss and redemption an honest search for faith in the divine and the realisation that when all is said and done life s every day and seemingly tiny serendipitous moments can evolve into something underserved yet truly magnificent I am delighted to recommend The Grace Note Jaqi has cleverly crafted a beautiful and moving story which will

linger with you long afterwards A real blessing Mark Batterson New York Times best selling author of The Circle Maker Such an uplifting and emotional novel that I couldn't put it down Shara Grylls wife of Bear Grylls *Grace Notes* Ruth N.

Victorya Grace,2019-12-16 Miguel walked into the house and didn't smell the aroma of his mother's cooking He didn't hear her humming as she cleaned or his siblings playing loudly and running through the house He stood at the door and listened for anything any noise at all He could not escape the feeling that something was wrong He stood quietly and listened Finally he heard a plea in the kitchen a small voice too afraid to speak louder because of what might happen if she did Miguel knew that it was his mother and that she was in danger He slowly moved toward the sound his body against the cold concrete walls of his home He knew he needed to not make a sound if he wanted to help his family When he finally rounded the corner the sight was horrifying There backed into the corner of the kitchen was his mother crouched on the floor cradling all seven of his brothers and sisters as they shook in horror She was silently pleading as tears fell from her cheeks her face wet her dark hair sticky with blood and matted to her face He saw the pan and what looked like oil and rice covering her bare feet What he would remember most from that day was the terror in her eyes and plea from her lips to this man who stood over her with so much anger She pleaded for him to leave the kids out of it just leave her babies alone She never understood why he did this to her Miguel felt so much pain and anger in that moment that it blinded him and his bravery took over He immediately grabbed the only thing close a butcher knife and pointed it at the man who stood so tall and controlling over his mother his father He swung and attacked until his dad gave up and ran out the back open wall of the house Miguel chased after him and screamed Don't you ever come back here We don't need you I am the man of this house now and you are not welcome here From that moment on he vowed to take care of his family even if that meant leaving his home country and going to the United States of America He had a dream and he had a promise to keep to his family himself and his mom Grace was facing something big It wasn't her first encounter with such a risk She was surrounded by all her loved ones She knew this day was coming and she had dreaded it ever since her last doctor's appointment She also knew that she had to be strong for her sisters and brother Unexpectantly the nurse called her name With great dread she slowly stood turned off her portable CD player and lowered her headphones She started to shake from anxiety as she went around the circle of her loved ones to hug

them and tell them that she loved them She would never forget the pain that she felt as she embraced her siblings she couldn't speak couldn't get the words out When she finished with the goodbyes her parents walked her into the pre operating room to get her ready for the operation Even when she was sedated she still turned around on the stretcher as they wheeled her through the doors to stay looking at her mom and dad for as long as she could Though her vision was blurry her heart was lucid and her emotions were high She yearned to be anywhere but the hospital and wanted nothing more than to come back from this They told her to count back from ten as they placed a mask that smelled like bubble gum over her face She tried so hard to fight it but felt her eyes closing and her mind slipping away Slowly she counted her eyes drooped and she gave in

Two totally different worlds come together to form one in this novel that is based on true events This is the love story of Miguel and Grace one that shows a huge appreciation for life and the hardships that come with it Love brought them together and love will tear them apart

**The Greatest Love Story Never Told** Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other
