The Idle Warriors:

The Idle Warriors Kerry Wendell Thornley, 1991 What was Lee Harvey Oswald really like In 1962 Marine Corp Pvt Kerry W Thornley wrote a novel about a fellow Marine who defected to the USSR Little did he know that his friend Lee Harvey Oswald would be accused of assassinating President John F Kennedy Through the fictional character Johnny Shellburn The Idle Warriors gives rare insight into the mind of the man who allegedly committed the most infamous crime of the century

The Idle Warriors KERRY W. THORNLEY, 2017-04-30 What was Lee Harvey Oswald really like Between 1959 and 1961 Marine Corps Pvt Kerry W Thornley wrote a novel about a fellow Marine who had defected to the USSR Little did he know that his friend Lee Harvey Oswald would later be accused of assassinating President John F Kennedy Through the fictional character Johnny Shellburn The Idle Warriors gives rare insight into the mind of the man who allegedly committed the most infamous crime of the century The Idle Warriors is the story of a troop of Marines in the Far East getting laid pulling pranks eating drinking and talking about life It s a story similar to any number of films and books from that time both in style and content But because the book was based on Oswald it remains an eerie novelty like the appearance of Fidel Castro as an extra in a Busby Berkeley film Kerry s introduction itself makes the book well worth reading *Cryptohistories* Alicja Bemben, Rafał Boryśławski, 2015-02-27 *Cryptohistories* is a collection of essays which provides a meeting ground for historians and cultural scholars analysing discussions of cryptic discourses in history and in historical narratives with roots in the mysterious The focus here is on history as a subjective narrative as a conscious construct and as manipulation Equally important for all the contributors brought together in this book is the mechanics of the rise popularity and apparent necessity of such narrative strategies The essays address a variety of issues revolving around the study of cryptic aspects of discourses ranging from theoretical approaches to secretive narratives of history cultural encoding and decoding of cryptohistories microhistories focusing on historical mysteries and mythicised pasts and processes of mythicization of the past as well as histories and theories of chance and manipulation Among its specific subjects *Cryptohistories* features discussions on the reasons why certain quasi historical narratives do not reach the status of history on conspiracy theories analysed from the perspective of contemporary video games on the paradoxes of truth and falsehood in history on parasitology as a cryptohistorical discourse on the codes of Victorian floriography on cases of cross dressing and sartorial camouflage on the Vietnam War MIAs on manipulations lying at the core of contemporary Bulgarian identity on the search for a racial utopia in the American South and on the fiction of Beryl Bainbridge as a form of cryptohistorical literature *Caught in the Crossfire* Adam Gorightly, 2014-09-15 Adam Gorightly offers a unique take on virtually every conspiracy of our time Erskine Payton Erskine Overnight Kerry Thornley never imagined that after starting a spoof religion in the 1950s that worshipped Eris the Greek goddess of chaos and discord that this seeming joke would unleash a torrent of actual chaos into his life in the years to follow During the late 1950s Thornley became friends with Lee Harvey Oswald when the two served together in the Marines

and was actually writing a novel based on Oswald three years before John F Kennedy's assassination. These connections would later cause New Orleans district attorney Jim Garrison to suspect that Thornley was one of the notorious Oswald doubles and a part of a JFK assassination plot. Initially Thornley denied these allegations but later came to believe that he'd been used as an unwitting pawn in the conspiracy. Adam Gorightly is best known for his book on the Manson Family *The Shadow Over Santa Susana*. Black Magic, Mind Control and the Manson Family. Mythos. Adam has appeared as a guest on numerous radio shows such as Coast To Coast AM with Ian Punnett and Ground Zero with Clyde Lewis. Television appearances include the History Channel's documentary *The Manson Murders*. [The Prankster and the Conspiracy](#) Adam Gorightly, 2003-01-01. One of the 1960s counterculture's most fascinating characters was Kerry Wendell Thornley, a writer, philosopher, Zen dishwasher, enlightened prankster, and possibly an Oswald double with disturbing ties to the Kennedy assassination. A lifelong provocateur, Thornley was linked to many of the fringe elements of the time. He helped create the spoof religion called the Discordian Society and its tract, the Principia Discordia. He coined the term paganism to describe various nature religions. And he befriended Robert Anton Wilson, inspired the Illuminatus, and gave his anarchic support to the Bavarian Illuminati, a brilliant prank. **The Masculine Heart** Robert A. Kandarjian, 2010-08-31. At last we have an honest and touching account on the masculine personality and emotions based on the author's personal quest and clinical observations from years of extensive experience. *The Masculine Heart* is an important contribution to the Biopsychosocial Sciences and Humanities. Emmanuel Hriso, MD, Chairman, Department of Psychiatry and Behavioral Health, Christ Hospital, Jersey City, NJ. Clinical Assistant Professor of Psychiatry, UMDNJ Robert Wood Johnson Medical School. A tour de force journey into the masculine heart. The undetected and behind the scene tragedies suffered by little boys and young men, not only at home but also in consumer culture, come to light. A holistic account of how men become wounded within the nest and outside of it. Distorted definitions of male success by corporate and media profits before people consciousness sets the stage for this unraveling poetic tale of burned out, exploited, and psychologically unsuccessful fathers and sons. In an uncommon and distinctive voice, Kandarjian invites the forces that perpetuate the development of the false male self to reflect upon the massive damage and consider brotherly options. Ultimately, a contemporary male narrative about self-possession, possession of emotions, intuitive instincts, reason, and drive. Finally, a book that redefines male power for the 21st century and competently anchors it into the charitable heart. *Chasing Eris* Brenton Clutterbuck, 2018-05-23. It's the most influential religion you've never heard of. Discordianism took the world by storm when it was revealed to two young hippies in 1958 or 1959. Who would have thought this goofy nuttiness would eventually turn into a worldwide caper involving the assassination of a US President, Timothy Leary, a rubber gorilla, a ten-hour play, a million pounds of burnt cash, the German secret service, a pumpkin launching trebuchet, the Electronic Frontier Foundation, Charles Manson, twelve arrested New Orleans Mardi Gras participants, a series of murders, Kermit the frog, and an extremely confused Australian who wrote this very silly book. Not me.

that s for sure *Peculiar Liaisons* John S. Craig,2005 Presenting famous and infamous individuals and events that shocked the world and helped set the scene for today s history this book illustrates how little is really known about some of the most dramatic and most studied events Who motivated whom how and why and what counterplots and alternative scenarios may have been at play Terrorism the fomenting of revolution undermining from within and trumped up events to spur a nation to go to war these techniques are not new The public s interest in certain personalities never seems to wane Mata Hari Gavrilo Princip Sidney Reilly T E Lawrence Jimmy Doolittle Hitler Reinhard Heydrich and Lee Harvey Oswald among others Each chapter presents two or three characters and elaborates on their lives and how they relate to historical events in the 20th century The book starts with an incident in 1903 in the Balkans and moves chronologically forward to the assassination of JFK Secret and Suppressed Jim Keith,2008-11-01 An underground sensation Secret and Suppressed confronts the reader with disquieting revelations on mind control secret societies media disinformation cults and elite cabals *The Mad Bishops* James Day,2023-11-15 How did a peddler of phony degrees who claimed to be a world famous bishop build a network of contacts that led to the assassinations of JFK MLK and RFK Beyond that central question what does this foray into the bizarre and esoteric say about our current state of religion and democracy Through the life and world of Earl Anglin James we explore the deep inner workings of religion and intelligence revealing connections and relationships that were established long before Dallas 1963 and have defined our destiny as a nation
