

The Image Of Peter The Great In Russian Fiction

Walter G. Moss

The Image Of Peter The Great In Russian Fiction:

The Image of Peter the Great in Russian Fiction Xenia Gasiorowska, **The Image of Peter the Great in Russian Fiction** Xenia Gasiorowska, 1979 **The Image of Peter the Great in Russian History and Thought** Nicholas Valentine Riasanovsky, 1992 The image of Peter the Great Tsar of Russia from 1689 to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people **Russian Literature and Its Demons** Pamela Davidson, 2000 Merezhkovsky's bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical attention This substantial collection fills the gap A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields The first part explores the main shaping contexts of literary demonism the Russian Orthodox and folk tradition the demonization of historical figures and views of art as intrinsically demonic The second part traces the development of a literary tradition of demonism in the works of authors ranging from Pushkin and Lermontov Gogol and Dostoevsky through to the poets and prose writers of modernism including Blok Akhmatova Bely Sologub Rozanov Zamiatin and through to the end of the 20th century **Peter the Great** Lindsey Hughes, 2008-10-01 Peter the Great 1672 1725 tsar of Russia for forty three years was a dramatic appealing and unconventional character This book provides a vivid sense of the dynamics of his life both public and private and his reign Drawing on his letters and papers as well as on other contemporary accounts the book provides new insights into Peter's complex character giving information on his actions deliberations possessions and significant fantasy world his many disguises and pseudonyms his interest in dwarfs his clowning and vandalism It also sheds fresh light on his relationships with individuals such as his second wife Catherine and his favorite Alexander Menshikov The book includes discussions of Peter's image in painting and sculpture and there are two final chapters on his legacy and posthumous reputation up to the present **A History of Russia Volume 1** Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful with both professors and students including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps that supplement and amplify the text fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works a glossary and chronological and genealogical lists Moss's *A History of Russia* will appeal to academics students and general readers alike **The Course of Russian History, 5th Edition** Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds

on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia s turbulent history *Reference Guide to Russian Literature* Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **Harvard Ukrainian Studies** ,1981 *The Positive Hero in Russian Literature* Rufus W. Mathewson,2000 The positive hero was defined by the Soviets as one who set an example for the reader s behavior As early as 1860 the merits of this ideal model were a central issue in the war between literary imagination and ideological criticism that raged in Russia for a hundred years In *The Positive Hero in Russian Literature* Rufus W Mathewson Jr brings a period of Russian literature to life and demonstrates how the battles over the positive hero reappeared with dramatic clarity in the dissident literary movement that developed after Stalin s death Mathewson argues that the true continuity between nineteenth and twentieth century Russian prose was to be found in this persistent conflict between contrary views of the real nature and proper uses of literature This new edition of a widely acclaimed work first published in 1958 and covering literary developments through 1946 includes chapters on Belinsky Pasternak Solzhenitsyn and Sinyavsky Book Jacket

Immerse yourself in the artistry of words with is expressive creation, Immerse Yourself in **The Image Of Peter The Great In Russian Fiction** . This ebook, presented in a PDF format (Download in PDF: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
