The Immortal Profession Gilbert Highet, 1976 The Immortal Profession Gilbert Highet, 1976 The right words in the right format and the easiest to use An all in one reference including new words guidance on grammar and usage and over 207 000 clear definitions Copyright Libri GmbH All rights reserved *Mortals in the Immortal Profession* Alice Duffy Rinehart, 1983 *Professional Development* Sally Shake Gaff, Conrad Festa, Jerry G. Gaff, **The Classical Papers of Gilbert Highet** Gilbert Highet, 1983 **The Dynamic Introvert: Leading Quietly with Passion and Purpose** Lesley Taylor, 2014-11-23 The Dynamic Introvert Leading Quietly with Passion and Purpose shows readers how to excel as quiet leaders and how to succeed in their careers This expanded 2nd edition features New Research Updated stories Checklists tools and additional resources In The Dynamic Introvert leadership coach Lesley Taylor artfully integrates findings from a variety of sources providing fresh perspective on what it means to be a leader and presents her insights in a clear and accessible manner Laurie Helgoe Ph D author of *Introvert Power Why Your Inner Life is Your Hidden Strength* How can an author pack so much wisdom and common sense into one book Well Coach Lesley Taylor has done a beautiful job of it and has made a major contribution to advancing the introvert conversation I plan on sharing this book with all of my clients Jennifer B Kahnweiler Ph D CSP author of *The Genius of Opposites Quiet Influence* and *The Introverted Leader Discover how you too can succeed* The Introverted Actor Rob Roznowski, Carolyn Conover, Heidi Kasevich, 2020-06-27 Do you have to be an extrovert to succeed as an actor This book offers ideas to create inclusive acting environments where the strengths of the introverted actor are as valued as those of their extroverted counterparts As this book shows many introverts are innately drawn to the field of acting but can often feel inferior to their extroverted peers From the classroom to professional auditions from rehearsals to networking events introverted actors tell their stories to help other actors better understand how to leverage their natural gifts both onstage and off In addition The Introverted Actor helps to reimagine professional and pedagogical approaches for both actor educators and directors by offering actionable advice from seasoned psychology experts professional actors and award winning educators The American Teacher Lawrence R. Samuel, 2024-05-07 An in depth look at a profession that is alternately valued and reviled but is consistently a microcosm of society Library Journal The American Teacher A History is as the title makes clear a history of teachers in the United States Supported by hundreds of research studies done over the years as reported in scholarly journals the book fills a niche in the history of education sociology gender studies and the United States as a whole K 12 teachers and to a lesser extent college university teachers are discussed in the work which travels through the past century Told chronologically and divided into ten decades The American Teacher sheds light on the important role that teachers have played in this country over the last one hundred years The subject is parsed through the voices of educators intellectuals and journalists who have weighed in on its many different dimensions from the 1920s right up to today The American teacher is a key site of race gender and class we learn from a

survey of its history revealing some of the tensions embedded in our constructed social divisions Controversy has always surrounded teachers in the United States making them a fascinating subject to explore in depth The schoolteacher has long served as a principal player in American culture making *The American Teacher* a kind of character study that distinguishes fact from fiction Rather than a research study itself the work draws on the most important scholarship that has been completed over the years The work is a big sweeping picture of the history of American teachers that is designed to complement more academic books that take a more in depth analysis of unique topics with original research And in place of focusing on a particular topic the book examines the threads that have connected issues such as gender and economic status over time In short *The American Teacher* is a synthetic narrative driven study that brings together in one place the essential research in the field And like any good history the book shows how mining the stuff of everyday life serves as the richest way to learn more about a group of people at a particular time and in a particular place Reminiscences of J. L. Toole John Lawrence Toole,1889 *Doing Oral History* Donald A. Ritchie,2003 Contains chapters on the discipline of oral history especially as it relates to public history starting an oral history project including funding staffing equipment processing and legal concerns conducting interviews using oral history in research and writing including publishing videotaping oral history and more
