Naomi Paik, 2016-01-08 In this bold book A Naomi Paik grapples with the history of U S prison camps that have confined people outside the boundaries of legal and civil rights Removed from the social and political communities that would guarantee fundamental legal protections these detainees are effectively rightless stripped of the right even to have rights Rightless people thus expose an essential paradox while the United States purports to champion inalienable rights at home and internationally it has built its global power in part by creating a regime of imprisonment that places certain populations perceived as threats beyond rights The United States status as the guardian of rights coincides with indeed depends on its creation of rightlessness Yet rightless people are not silent Drawing from an expansive testimonial archive of legal proceedings truth commission records poetry and experimental video Paik shows how rightless people use their imprisonment to protest U S state violence She examines demands for redress by Japanese Americans interned during World War II testimonies of HIV positive Haitian refugees detained at Guantamo in the early 1990s and appeals by Guantamo's enemy combatants from the War on Terror In doing so she reveals a powerful ongoing contest over the nature and meaning of the law over civil liberties and global human rights and over the power of the state in people's lives *Visions* Diane Wilson, 2008-02 Not Religion but Love Dave Andrews, 2012-02-01 In his acclaimed book *Christi Anarchy* Dave Andrews explored the ugly ruins of Christian history and outlined the radical vision of Jesus for personal and community renewal In *Not Religion but Love* he shows how that vision can become a reality With poignant real life stories drawn from his Brisbane backyard Dave Andrews gives us a practical guide to working out Jesus agenda for love and justice in our own lives and neighborhoods Complete with group exercises and an ample collection of extra resources for study *Not Religion but Love* is a book to read at your own risk it might change your life *Zerex Machine* Matthew Worley, 2024-05-13 A visual history of the artists fans and fanzines of widely influential British punk *Zerex Machine* is an immersive journey through the vibrant history of British punk and its associated fanzines from 1976 to 1988 Drawing on an extensive range of previously unpublished materials sourced from private collections across the United Kingdom Matthew Worley describes and analyzes this transformative era providing an intimate glimpse

into the hopes and anxieties that shaped a generation Far more than a showcase of covers Zerox Machine examines the fanzines themselves offering a rich tapestry of firsthand accounts personal stories and subcultural reflections With meticulous research and insightful analysis this book captures the spirit and essence of British youth culture shedding new light on a pivotal movement in music history and offering a unique alternative history of Britain in the 1970s and 80s

Planning Inclusive Yachts Paolo Ferrari, 2021-02-01 This book proposes a novel approach to the design of accessible and inclusive sailing yachts inspired by the principles of Design for All The goal is to allow anyone including users with disabilities and individuals belonging to the weaker segments to sail without barriers Starting from an analysis of existing pleasure boats the author identifies a series of factors limiting the accessibility or usability of external and internal spaces In turn he discusses the most suitable solutions to each By proposing an extensive set of design solutions applicable to the confined spaces on yachts and which comply with the relevant anthropometric and dimensional rules the book offers a timely snapshot of the potential benefits and applicability of an inclusive approach to yacht design setting a new reference standard for inclusive and accessible nautical design
