The Inclusive New Testament And Psalms:

The New Testament and Psalms Victor Roland Gold, Victor R. Gold, 1995 Language applies equality to all human beings particularly when referring to people with physical disabilities those held in slavery or servitude references to Judaism and the Jews in New Testament times and language referring to the Deity Imprintable Presentation page 512 pp The Inclusive New Testament, 2004-03-26 While The Inclusive New Testament is certainly an inclusive language translation it is much more it is a re imagining of the Christian scriptures and our relationship to them Not merely replacing male pronouns the translators have rethought what kind of language has built barriers between the text and its readers Seeking to be faithful to the original Greek they have sought new and non sexist ways to express the same ancient truths The Inclusive New Testament is a fresh dynamic translation into modern English carefully crafted to let the power and poetry of the language shine forth particularly when read aloud giving it an immediacy and intimacy rarely found in translations of the Bible The Inclusive New Testament is also available together with The Inclusive Psalms or as a part of The Inclusive Bible *The Inclusive New Testament*, 1994 This version of the New Testament affirms efforts to use sexually balanced language and images in Church liturgy publications education and preaching **The Inclusive New Testament and Psalms For Equality** Priests, Priests for Equality, - Trans Priests for Equality, 2004 The Inclusive New Testament is intended to free the text of these Scriptural writings from sexist language gender bias and social stereotyping It is intended to provide liturgical and devotional expression for those persons who yearn for for a church that allows for a full expression of their contemporary spiritual struggles and changing social roles To find more information about Rowman Littlefield titles please visit us at www.rowmanlittlefield.com *The Holy Bible: Galatians, etc., to the end of the New Testament*, 1825 Distorting Scripture? Mark L. Strauss, 2010-02-01 Recent controversies have rocked evangelicalism on the question Is gender inclusive language for human beings faithful and helpful in Bible translation or does it distort and obscure God's Word Distorting Scripture moves beyond sensationalism to the meaty core of an ongoing debate **The King James Bible After Four Hundred Years** Hannibal Hamlin, Norman W. Jones, 2010-12-02 Leading scholars chart the complex multifaceted cultural impact of the King James Bible over its 400 years **In Discordance with the Scriptures** Peter Johannes Thuesen, 2002 The story of the translation of the Bible in America begins with the King James Version In fact many Americans thought of the KJV as the foundational text of the Republic rather than a cultural inheritance from Anglican Britain In the nineteenth century however as new editions of the Greek New Testament appeared scholars increasingly recognized significant errors and inconsistencies in the KJV This soon led to the Bible revision movement whose goal was the uniting of all English speaking Protestants behind one new improved version of the Bible Ironically as Peter Thuesen shows in this fascinating history the revision movement in fact resulted in a vast proliferation of English scripture editions and an enduring polarization of American Christians over versions of Holy Writ The recurrent controversies over Bible translations he argues tell us less

about the linguistic issues dividing conservatives and liberals than about the theological assumptions they have long held in common

Feminist Companion to Paul Amy-Jill Levine, Marianne Blickenstaff, 2003-01-01 The seventh volume of this Companion series is devoted to the writings ascribed to Paul but widely thought not to be genuinely from the Apostle These are of particular importance in showing how Paul s authority was exploited in the Early Church and the topics addressed often deal with Christian discipline and hierarchy Hence there is a particularly strong feminist agenda to be explored here The Pastoral Epistles Ephesians and Colossians are prominent among the writings addressed in this sparkling collection and the authors include David Scholer Luise Schottroff Bonnie Thurston Lilian Portefaix Sara Winter and Ingrid Rosa Kitzberger
