Where the Wind Leads Dr. Vinh Chung,2014-04-29 From the harrowing experiences of their journey across the South China Sea in the aftermath of the Vietnam War to the heartwarming account of their successful restaurant venture in America the refugee story of Vinh Chung and his family is riveting In a time where the current topics are immigration and human rights this first hand account reminds us to view events and people with a lens of compassion Just eight months after South Vietnam fell to the communists in 1975 Vinh Chung was born His family was wealthy controlling a rice milling empire worth millions but within months of the communist takeover the Chungs lost everything and were

reduced to abject poverty Knowing that their children would have no future under the new government the Chungs decided to flee the country In 1979 they joined the legendary boat people and sailed into the South China Sea despite knowing that an estimated two hundred thousand of their countrymen had already perished at the hands of brutal pirates and violent seas Narrating a multigenerational memoir Vinh illustrates the compassionate side of humanitarian efforts and the life changing moments that brought him to America as a child With a sharp sense of humor he unravels ethnic hostility faced when they arrived in Fort Smith Arkansas the challenges and struggles of his family as they strove to achieve the American dream and how he and his siblings went on to earn master degrees and doctorates from prestigious universities all because his parents took a leap of faith and held on to the courage of building a new life Some of stories Vinh shares are The family s perilous journey through pirate attacks on a lawless sea The grueling life of being in a refugee camp in Malaysia before their rescue by World Vision Their miraculous rescue and a new home in the unlikely town of Fort Smith Arkansas Vinh s struggles against poverty discrimination and a bewildering language barrier His graduation from Harvard Medical School Where the Wind Leads is Vinh s tribute to the courage and sacrifice of his parents a testimony to his family s faith and a reminder to people everywhere that the American dream while still possible carries with it a greater responsibility **The World**
